Tweet I expect to go through life, but once. If so, there is any kindness that I can show, or any good thing I can do for any person, let me do it now and not put off or neglect it as I won't go this way again - Stephen Grellet's Faith and Fear Share the same definition. Believing that what you can't see is definitely going to happen. Faith attracts Positivity while fear attracts negativity. Napoleon Hill summed up his philosophy of success in Think and Grow Rich!, one of the best-selling inspirational business books ever. A recent U.S. Study Today named him one of the five most influential books in its field, more than 40 years after it was first published. Now, in Napoleon Hill's Keys to Success, his widely stated principles are for the first time detailed with specific recommendations for their use and implementation. Compiled from Hill's educational materials, lectures and articles, Napoleon Hill's Keys to Success provides mental exercises, self-analysis techniques, powerful encouragement, and simple advice for those looking for personal and financial improvement. In addition to Hill's many personal true examples of principles in action, there are also contemporary illustrations featuring Dynamo players like Bill Gates, Peter Lynch, and Donna Karan. No other book by Napoleon Hill has considered these 17 principles so fully and in such precise detail. For the millions of devoted Napoleon Hill fans and for those who discover it every year, Napoleon Hill's Keys to Success promises to be a valuable and important guide to wealth.
