Best comprehensive: Carnival Glory 2,980 passenger carnival glory is one of Carnival's old but well-loved vessels. Runner-up, best overall: Carnival Vista has a large amount of half-uniform carnival cruisers and offers non-stop action on board. Best budget: Carnival conquers budget-friendly fare and is known for short cruises to the Bahamas and caribbean. Best design: Carnival Dream provides the best of both worlds: tons of fun activities and many ways to relax. Best experience: Carnival legends Great ship for branching cruises to Alaska or the Mediterranean and trying out. Best amenities: Carnival Miracle is one space that stands out – well, two spaces – and two miracle trails. Best accommodation: Carnival Horizon accommodations include Family Harbor, private family staterooms, private family staterooms with lounges and concierges, and Cloud 9 spa staterooms. Built in 2003, Carnival Cruise 08's 01 is one of carnival glory's 2,980-capacity old but beloved vessels, and while some of its glory shows its age, renovations have helped maintain its appeal. Most restaurants in Glory are bundled into rates, including some of the cruise line's new venues, such as blue iguana cantina and Guy's Burger Joint. All-inclusive dining has been the norm for other mainstream cruises, but with the launch of new ships, we've added a la carte options. While Glory sails from New Orleans to the western Caribbean, there's a lot to do on board, such as comedy shows, diving-in movies (watching movies in the pool), and waterworks playgrounds. Glory is the best choice overall because it is also one of the fleet's more affordable ships. Courtesy of Carnival Cruise Voyages at 02's 08 Galveston, Vista often has a large amount of repeat carnival cruisers and is non-stop action on board. As the first ship in the Vista class, the 3,934-passenger Vista set the bar high Horizon (2018) and Panorama (end of 2019). Vista has many unique sea experiences, such as 4D thrill theatre, 3D glasses and additional effects - air blowing, fog and other sensory experiences that make passengers feel like they're part of a movie. There's also a sky ride (bike suspended in the air), a Kerid-O slide (Lightshaw Waterslide) and an IMAX theatre. 08 Carnival Cruises 03 Perfect for those interested in trying cruising for the first time, the 2,980-passenger Carnival Conquest is known for its budget-friendly fares and short cruises to the Bahamas and caribbean. Carnival Conquest has some of the Fun Ship 2.0 features such as Blue Iguana Tequila Bar (and Cantina), Geis Burger Joint, Red Frog Rum Bar and Alchemy Bar, but you won't find topical amenities such as skybikes or 4D theatres on new ships. Passengers should pay attention to the passenger's daily activity schedule and be careful about having fun on board, bringing passengers from deckchairs and participating actively. Carnival Cruises of 08 of 04 3,646 passengers, Carnival Dream is one of the large ships of the fleet but the colorful design lends a lot of quiet places. That means you get the best of both worlds here: tons of fun activities and plenty of ways to relax. Deck 5 features a whirlpool with a side and an adults-only lounge, and a wrap-around walkway with plenty of lounge chairs to enjoy the sea breeze. The children's center has a twin-only club and a private club for teenagers and a huge water park with a 300-foot torsion slide. At Dream, passengers can choose from two Guy Fieri stadiums: Pizza del Capitano and BlueIguana Cantina, which are included in the fare. Continue to 5 out of 8 below. 05 of 08 Carnival Cruises is a great vessel for trying to cruise to Alsca or the Mediterranean, with its fair share of Caribbean cruises, as well as the 2,124-passenger Carnival Legend branching out. Legend debuted in 2002 (refurbished in 2014) and has a versatile cruise experience. You can enjoy a pint at the RedFrog pub, Japanese cuisine at the mance sybab, or desserts and ice cream in the whirlpool. On the top deck is Waterworks Park, which has a Green Thunder water slide, which can travel at speeds of 34 feet drop and 25 miles per hour. Legend hosts a slew of weekly and evening activities, including playlist productions (a popular musical hit on stage) and Hasbro, a game show - offering live performances of iconic television game shows. The \$200 million revamp courtesy of Carnival Cruises 08, the carnival victory change was so dramatic that the ship needed a new identity, so the 2019 win was reborn as Sunrise (it is now part of the ship's Sunshine class). All Sunrise on Sunrise has been remodeled with fresh new furniture, with additions to meals and drinks such as Cuccina del Capitano, Fahrenheit 555 Steakhouse, Macagre Express and Red Frog Pub. New sports courts have been installed along with mini golf, rope courses and the capital. In the evening, head to the multifunctional Liquid Lounge with punchliner comedy club or the Limelight Lounge. Sunrise sails from Fort Lauderdale to the Bahamas, Cuba and other Caribbean itineraries and a Bermuda cruise departing from New York in the fall. Built in 2013, Carnival Cruises' 08 No. 07 features a fantastic cruise, although the medium-sized Carnival Miracle does not yet have 2.0 features as a fellow fleet member. The two spaces are two miracle trails: an internal walkway with window-lined seating and a quirky garden theme, and an outdoor promenade ideal for joggers. There is also a popular Skybox sports bar for catching stylish alchemy bars for big games or craft cocktails. Passengers play and clue

interactive game: Murder Mystery, woven through that voyage. The 08 Carnival Cruise Rite of 08 is one of carnival's newest ships in Miami, with more accommodations to choose from, including Family Harbor, a private family status room with its own lounge and concierge, and a Cloud 9 Spa State Room with unlimited access to the spa's thermal suites. Luxurious Havana suites have swing hammock chairs on the balcony and are available exclusively for the week in the hip Havana bar and lounge. The lounge has a South Beach vibe outside, with a swimming pool and cocktail bar that transforms into a nightclub in the evening, and inside it feels like a nostalgic Cuban cigar bar. Horizon also has a dazzling playlist production of Live Lip Sync Battle (stage version of the hit Spike TV series). The 130,000-ton, 3,690-seat Carnival Magic cruise ship has a variety of restaurants. The cruise ship features a large buffet on the Lido deck with 2 main dining rooms, a variety of classic dishes from around the world, 2 specialty restaurants and several places for quick snacks throughout the day and evening.
