## Group Coaching

### In-Person or Web-Based (8-Week Session)

My 8-week group coaching program focuses on building your Success Mindset and Personal Brand. Programs are offered quarterly - check my website to register for a session.

Your Investment in YOU - \$800 for the 8 Week Session

## Individual Coaching Sessions

### For That Specific Situation

Whether you have a big presentation or an important interview coming up, everyday situations often require just a couple of simple shifts that will have a huge impact on how you "show-up!"

Your Investment in YOU - \$300/Session

## Monthly Coaching

### For Routine Clarity

Get clarity, discover what is getting in the way, and determine where the focus needs to be to get the results you want. Monthly coaching includes action planning and an accountability schedule.

Your Investment in YOU or Your Company - \$1,200/Month

## Long-Term Coaching

### Applying Your Performance Mindset Consistently

Consistently developing your personal brand, leadership skills, public speaking ability and performance mindset allows you to overcome challenges and lead with authenticity. Honing these skills is what allows it to simply become who you are.

Your Investment in YOU - \$6,000/6 Months or \$10,000/12Months
