

COVID-19 PROCEDURES

Keeping our customers and staff safe is our top priority at all times.

We are operating within the current government guidance, with strict hygiene and safety protocols in place. Please see below for the steps we are taking to keep you safe.

We are currently running with a lower capacity of 6 players per booking. Players can be from multiple households/support bubbles.

If you have a large household/support bubble that exceeds 6 players and would like to book for your group, please contact us directly to book your session. If you are looking to book for a larger group, we can accommodate up to 24 people in a round robin style across our 2 game zones, where you will remain in groups of 6 at all times. Please contact us directly for further information.

If you have any further queries, please don't hesitate to get in touch.
