[Verse]

Operator, can you help me, help me if you please
Give me the right area code and the number that I
need

My rider left upon the midnight flyer
Singing like a summer breeze

I think shes somewhere down South, down about
Baton Rouge
But i just can't remember no number, a number I can
use

Directory don't have it, central done forgot it
I've gotta find a number to use

Trying to check out her number, trying to run down
her line

Operator said that's privileged information
And it ain't no business of mine

Its flooding down in Texas, poles are out in Utah

Gotta find a private line

She could be hanging round the steel mill

Working in a house of blue lights

Riding a getaway bus out of Portland, talking to the
night

I don't know where shes going, I don't care where
shes been

Long as she's doing it right

Long as shes doing it right
