[Verse 1]

Met myself a coming county welfare line
I was feeling strung out, Hung out on the line
Saw myself a going down to war in June
All I want, all I want is to write myself a tune

[Chorus]

Wrote a song for everyone
Wrote a song for truth
Wrote a song for everyone
And I couldn't even talk to you

[Verse 2]

Got myself arrested, Wound me up in jail
Richmond 'bout to **blow** up, communication failed
If you see the answer, now's the time to say
All I want, all I want, is to get you down to pray

[Chorus]

Wrote a song for everyone
Wrote a song for truth
Wrote a song for everyone
And I couldn't even talk to you

[Chorus]

Wrote a song for everyone
Wrote a song for truth
Wrote a song for everyone
And I couldn't even talk to you

[Verse 3]

Saw the people standing thousand years in chains
Somebody said it's different now, look, it's just the
same

Pharaohs spin the message, round and round the
truth

They could have saved a million people, how can I tell
you?

[Chorus]

Wrote a song for everyone
Wrote a song for truth
Wrote a song for everyone

And I couldn't even talk to you

[Chorus]

Wrote a song for everyone

Wrote a song for truth

Wrote a song for everyone

And I couldn't even talk to you

[Chorus]

Wrote a song for everyone

Wrote a song for truth

Wrote a song for everyone

And I couldn't even talk to you
