

Making the Unfamiliar, Familiar: Connecting Children to Their World
Smithsonian Early Enrichment Center
Extension Activity

Choose an object (from your organization's collection or from the [Learning Lab collection](#))

- How would you have a *conversation* with children about this object?
- How could you make this object *familiar* to the children?
- Do you think there might be any *difficult questions* with this piece?

Want to learn more with the Smithsonian Early Enrichment Center? We offer asynchronous workshops with live Q&A sessions! See more [here](#).
