Cookies (or browser cookies). Cookie is a small file that is placed on your computer's hard drive. You may refuse to accept browser cookies by enabling the appropriate settings on your browser. However, if you choose these settings, you may not be able to access certain parts of our website. Unless you have set your browser to reject cookies, our system will issue cookies when you redirect your browser to our website. Cookies are usually defined in one of two ways, and Factory Direct Craft sites may use both of them: (1) Session cookies do not stay on your computer after your browser closes, (2) Persistent cookies remain on your computer until they are deleted or expired. Most browsers automatically accept cookies by default, but you can usually reject cookies or selectively accept cookies by setting preferences in your browser. The following browsers guide online to cookies at the following links: Microsoft Internet Explorer: Mozilla Firefox: Safari: Please be aware that a number of features on our websites may require cookies to function properly, turning off cookies may affect your experience on our website. Web Beacons. A web beacon is an electronic image. Web Beacons can make up some things tracking your computer and can report activity to a web server allowing us to understand some of your behavior. If you choose to receive emails from direct craft factory, we may use Web Beacons to track your reaction to our emails. We may also use them to track if you click on the links and the time and date you do so. Some of our marketing partners may use Web Beacons to track your interaction with online advertising banners. Embedded web links. Links provided in our emails and in some cases on third-party websites may include tracking embedded in the link. Tracking is done through a redirect system. The redirect system allows Kraft Direct Factory to understand how the link is in use. Some of these links enable Kraft Direct Factory to identify that you have personally clicked on the link and this may be connected to the personal data that we keep about you. This data is used to improve our services to you and help us understand the performance of our marketing campaigns. Third-party websites and services. Kraft Direct Factory works with a number of marketing communications technology service providers. These service providers may use different data collection methods to improve the performance of marketing campaigns we are contracting them to offer. The information collected can be collected on our websites and on websites where our marketing communications are For example, we may collect data that our banner ads display on third-party websites. Don't follow up on the disclosure. We do not track customers over time and across third-party websites to provide targeted advertising. Therefore, our website does not act any differently when it does not receive a tracking (DNT) signal. The information we collect automatically is statistical data and does not include personal data. Aims: Why we need your personal information we collect using information that we collect about you or which you provide to us, including any personal data, in order: prevent malicious activity and provide you with a secure experience; Providing services and supporting the products that you own; Providing marketing communications that are effective and optimized for you; Keep you up to date with the latest benefits available from the direct craft factory; Avoid posting something that won't be of interest; Define what content you might be interested in; personalize your website experience; Measure the performance of marketing programs; invite you to participate in competitions; learn with your own behavior and try to improve what we do to your advantage; contact you about the services and offers that concern you; And display certificates, reviews, or recommendations on our websites with the consent expressed by the owner of that statement. Processing: What we do with your personal data is all our personal data process processed by our employees or trusted third parties in the USA and other countries. We may disclose aggregated information about our users, and information that does not identify any individual, without limitation. We may disclose the personal information that we collect or disclose you as described in this Notice: to our trusted subsidiaries and affiliates. To contractors and service providers we use to support our business. To a buyer or other successor in the event of a merger, div, restructuring, reorganization, liquidation, or sale or transfer of some or all other assets of the Company, either as an ongoing concern or as part of bankruptcy, liquidation, or similar proceedings, where personal data held by the Company is transmitted regarding users of our website including assets. To achieve the goal for which you provide personal data. For any other purpose disclosed by us when you provide personal data. To comply with any court order, law or legal process, including responding to any government or regulatory requests. To enforce or apply our Terms of Use available in terms of use if we believe disclosure is necessary or appropriate to protect the rights or property of the Company, our customers, or others. We may otherwise disclose your personal information only for purposes disclosed in this notice or on the Website, as required by law, or with your informed consent. Organizational and technical safeguards: We protect the processing of your personal data from personal data happening in accordance with our company's data governance program, which includes the implementation of reasonable enterprise and technical safeguards to protect personal data from unauthorized use, disclosure, or destruction. Such organizational safeguards include requiring our trusted third parties to contracts and requiring the same or better enterprise or technical safeguards for your personal data. We implemented measures designed to secure your personal information accidental loss and unauthorized access, use, change, and disclosure. Any payment transaction will be encrypted using SSL technology. Your credit card information is handled by a trusted third party and does not enter, transfer, store or receive our company's servers at any point during an online ordering process. Unfortunately, transferring information over the Internet is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of 100% of your personal information transmitted to our website. Any transfer of personal data is at your own risk. We are not responsible for circumventing any privacy settings or security measures contained on the website. Maintenance: How long we keep your personal data we only retain your personal data as required to complete our processing disclosed in this notice. We also maintain a record of IP addresses, country, and timestamp acknowledgements for EU visitors acknowledging their satisfaction to this announcement. Marketing: What we would also like to do with your personal information with your consent, we would like to use your name and email address to inform you about future products and services. This contact information is not shared with third parties or used for other purposes, and you can use any marketing through the unsubscribe option in any marketing email including you receive from us.
