

FAQS

HOW OLD DO I NEED TO BE TO PLAY?

Airsoft is suitable for players aged 12+ but players under 18 must have a consent form signed by a parent or guardian. Players between 12 and 16 must have an adult with them to play.

CAN I BRING MY OWN GUN?

Absolutely! Simply let us know before you book so we are aware. Your gun must not exceed a FPS rate of 318. Your kit will be checked with a chrono before play. If it doesn't meet CQB site standards, you may have to pay the kit hire or use a different gun.

CAN I USE TWO-TONE GUNS?

Yes, you can!

CAN YOU USE SNIPER RIFLES AT THE VENUE?

Unfortunately not. As we're a close quarters battle arena, sniper rifles are not currently permitted.

CAN I STILL PLAY IF I HAVE A GROUP OF LESS THAN 10?

Yes you can! You will need to join an existing session though, but the more of you, the more fun!

DOES AIRSOFT HURT?

The power of airsoft guns are limited to 1J in the UK. This is approximately 328 fps with a 0.2g BB. Generally speaking, BBs hurt less than paintballs as they weigh a lot less. It is often recommended that players wear full face protection, with some sites allowing players to use glasses only at their own risk.

DO YOU HAVE LOCKERS?

Yes we do! At Bunker 51, the lockers are right at the entrance and cost £1.

CAN I BRING BOX MAGS?

Absolutely!

DO YOU RECOMMEND FULL FACIAL PROTECTION?

Yes we do, due to the close quarters full facial protection is recommended, though not compulsory, and this can be hired from us on the day.

CAN I BRING MY OWN SMOKE GRENADES?

Unfortunately we cannot allow the use of smoke grenade or flash bangs at either site as they're indoor arenas.
