CONCIERGE WELLNESS SUBSCRIPTIONS

Firestar Veterinary Services

We understand that horses are both beloved family members and valued athletic partners.

+ CORE Concierge Wellness:

For the healthy, stay at home horse under the age of 15 years. It is designed to prevent disease and maintain health in a low stress lifestyle.

+ CORE PLUS Concierge Wellness:

For competition horses of all kinds, trail horses, and horses who live in boarding barns. CORE PLUS is designed to decrease infectious disease risk and maximize soundness and general health.

+ GERIATRIC Concierge Wellness:

For the horse over 15 years. This subscription combines the prevention and wellness goals of the other plans with the goal of early detection of age related diseases. It includes screening for heart diseases, glaucoma and PPID (Equine Cushing's Disease) to increase healthy longevity. We love older horses and will help keep them healthy in their later years.
