

Nothing can Ah-Beetz this Pizza!

Yankee Pie Apizza has brought its original New Haven pies to the small town of St. Marys.

St. Marys first local pizzeria, located at 206 Osborne Street

Located in the heart of St. Marys, you can find Yankee Pie Apizza. This niche family-owned pizzeria brings a New Haven style of pizza to town. One can expect a hot and crunchy crust with quality ingredients when trying their pizzas. They specialize in offering unique pizzas that blend toppings that may surprise your taste buds. Their best seller is the Italian Bomb topped with bacon, sausage, pepperoni, green peppers, onions, and garlic. If you're looking for something on the simple side, try their White Pie made with mozzarella, romano, and olive oil. They also offer several types of hot sandwiches, salads, and desserts such as gelato and cannolis.

The restaurant offers both indoor and outdoor seating areas. If you decide to wait outside for your crisp homemade pizza, you can enjoy the outdoors with the games including frisbee, cornhole, and funnel ball. Yankee Pie Apizza also hosts outdoor movie nights and fire pits for chilly nights. Just remember the first and most important rule, "It's not pizza. It's Ah-Beetz." Be sure to run—not walk—to an outstanding pizza experience that will leave you ready for more.
