

## **Parish Council News January**

**Affordable Housing Update** - It is important that anyone needing affordable rented housing is registered with [www.devonhomechoice.com](http://www.devonhomechoice.com) as this will be how homes are allocated. Homes will be prioritised for local people, so it is essential to make clear what local connection you have to Morteheo and Woolacombe, mainly through living or working in the parish for five years or more, or having parents or children living in the parish, and you should give as much detail as possible when completing the registration. Length of time being on the register is one factor that gets taken into account when homes are allocated, so it is important to register as soon as possible, and to make sure that the registration is kept up to date.

If you are interested in these homes please also email your name and contact details to the Rural Housing Enabler Colin Savage [csavage@devoncommunities.org.uk](mailto:csavage@devoncommunities.org.uk) who will keep you informed of progress.”

**Date for the next Steering committee meeting: Thursday January 2<sup>nd</sup> at 7 p.m. at the Council Chamber (Woolacombe Tourist Information Centre)  
Please come along if you are interested in joining the steering committee.**
