ADDA 247 is constantly working to make the word SUCCESS a real companion for all applicants for banking services. Since 2019 has just marked its presence, we are pleased to announce that ADDA 247 launches - Complete e-book puzzles and seating second edition. Puzzles are an important part of the reasoning section, one that you can't avoid. This is a topic that dominates the reasoning section of all kinds of banking exams. So many other different topics too are being asked in the form of puzzles. The number of questions asked on puzzles ranges from 60 to 65 percent of the total number of questions in the Reasoning Section. So it's now quite obvious that the strategy of ignoring puzzle-based issues, thereby solving other issues, will no longer work, since ignoring puzzle questions can risk the likelihood that you will clear sectional cut-offs or score satisfactory scores in the reasoning section. Puzzles are an important part of the reasoning section, one that you can't avoid. This is a topic that dominates the reasoning section of all kinds of banking exams. So many other different topics too are being asked in the form of puzzles. The number of questions asked on puzzles ranges from 60 to 65 percent of the total number of questions in the Reasoning Section.
