Experience

Hendrikson Research and Consulting

Owner – August 2014 to Present

As the owner and founder Hendrikson Research and Consulting, I lead projects that impact social policy and social justice issues. My mission is to facilitate honest discussions of the successes and failures of past policies, with the ultimate goal of creating sustainable, positive change in communities. To do this, I develop policies and research for clients by:

- Effectively facilitating difficult policy meetings and foster strategic partnerships,
- Conducting both qualitative and quantitative research,
- Collecting and analyzing data from electronic surveys, and
- Evaluating government documents or academic literature.

Recent Clients:

- **Boulder County Community Justice Services.** Facilitate policy and procedure development for [three programs](#) aiming to divert those with mental/behavioral health and substance use issues from the criminal justice system. (Ongoing)
- **Other Clients.** RAND Corporation, Colorado Health Institute, Metropolitan State University of Denver, Richard N. Katz & Associates, Colorado Consumer Health Initiative, Sinergie Project, McKinley Advisors, and the National Conference of State Legislatures.

Community Strategies Institute

Director – August 2019-Present

As a Director of the Community Strategies Institute, I work closely with an executive team procuring clients, developing proposals, and managing day to day operations of this small business. The mission of CSI is to provide fiscal and economic analysis, education and training, and research to a variety of public and private entities and individuals to better understand factors driving affordable housing development. My duties are as follows:

- Lead a research team to develop, analyze, and present compelling data to clients.
- Establish and implement a digital marketing strategy.
- Develop project proposals and presentations to procure new clientele.
- Grow a robust roster of consultants and subcontractors.

Recent Clients/Projects:

- **Arapahoe County.** Lead the research, data analysis, and presentation of the County's updated HUD Consolidated Plan and Analysis of Impediments for Fair Housing Choice. (Completed November 2019)
- **Huerfano County.** Conducted demographic and economic research to develop a Housing Needs Assessment and help make policy recommendations to expand affordable housing options for residents. (Completed August 2019)
