WHAT OUR CLIENTS THINK

I hired CRAFTBAR for our wedding & they did an outstanding job. I would recommend other people use them for their party or wedding. Extremely professional & they provided a fantastic Gin Bar as well as a fully stocked Pay Bar. Thank you so much guys and gals!

Maria M

Absolutely brilliant, everything was organised and perfect. I couldn't have asked for better. Guests loved the craft ales both draught, bottled/canned and both barmen were really knowledgeable and offered great advice. It was a great night - highly recommended

Martin S

We hired Craftbar for my dad's 70th birthday party. Tim was fantastic behind the bar and conjured up some really special drinks for our guests. There were a couple of guests with medical issues and Craftbar covered their drinks really well - nothing was too much trouble. I can't thank them enough

Jean P

Their service was fantastic from the day we first enquired right up to returning our deposit on completion without us having to ask for it. Craftbar were really impressive. Communication was great and they always got back to us quickly and efficiently. The whole process was seamless and I would certainly use John and his team again in the future

The Zombie is a cocktail made of fruit juices, liqueurs, and various rums. There are many variations & ours features 2 different rums, triple sec and 4 different fruits for a punchy refreshing summer drink

CLASSIC CAIPIRINHA

National drink of Brazil and its most popular cocktail. 5 ingredients & made in a similar way to the old-fashioned and mojito: a simple fruit and sugar muddle topped with a shot of liquor. The liquor of choice here is cachaça, the Brazilian take on rum

SUMMER COCKTAILS

POMEGRANATE GIMLET

A fruity twist on this gin based classic, we love everything about this drink. It's a pretty colour, tastes amazing and has a cute garnish!

SALTY BIRD

Salty Bird hardly conjures up the image of a sweet fruity drink but perfectly fits this bitter sweet rum-based Campari and pineapple sipper

MEXICAN MULE

You've heard of The Moscow Mule—well this mule has got way more kick. We've swapped Vodka for Tequila and mixed with ginger beer and lime juice and added a lime and sliced jalapeño garnish which really turns up the wow factor

SUMMER COCKTAILS

SICILIAN FIRING SQUAD

Montelobos Mezcal replaces the tequila and joins Solemo Blood Orange Liqueur, with lime, bitters, & grenadine to round out the "firing squad."

RASPBERRY RICKEY

The Gin Rickey is delicious during the warmer months. Here we add fresh raspberries to make a wonderfully fruity twist on this summer classic.

STRAWBERRY BASIL & BOURBON LEMONADE

Strawberry Basil Bourbon Smash – juicy strawberries and fresh basil are the perfect pair in this refreshing bourbon cocktail recipe! Summertime in a glass.

We go that extra yard to make your gin experience really memorable so whether you're a gin expert, novice or simply love the taste, variety and innovation of this wonderful drink spirit let CRAFTBAR guide you and your friends to fantastic new taste experiences

GIN BAR MENU

Our gin menu is designed to give you different taste experiences from this most traditional of drinks. You've all been to the pub and had a gin & tonic, and typically you're given a handful of regular options that you've always associated with gin. However, there are thousands of new craft gins out there, and we try to give you a taste of some of the lesser known and flavoursome alternatives.

We stay clear of the volume pub gin to bring you gin varieties from dry, citrus, aromatic, spiced, complex, savoury and sweet.
