**Dr. Michael Adekunle Charles**

Chief Executive Officer

**The RBM Partnership to End Malaria**

c/o United Nations Office for Project Services (UNOPS)

Geneva, Switzerland.

Dear **Dr. Michael Adekunle Charles**,

## **KICK OUT MALARIA PROJECT PROPOSAL**

I am Paul Abayomi Jeremiah, and I am Co-creator of **the Kick Out Malaria Story and Game series**.

I am writing to seek the patronage and support of the RBM Partnership to End Malaria to donate our Kick Out Malaria Storybooks, Story Apps and Computer Video Games to, at least, five (5) million poor children and families in local communities across Nigeria and other countries with high malaria burden.

Kick Out Malaria is a series of storybooks, story apps, computer video games and short animated episodes created to help children and families acquire, practise, and retain the crucial knowledge they need to combat malaria and other neglected tropical diseases (NTDs) in a fun, active, and engaging way.

This project is very dear to our hearts as we know we have a solution to one of the major development problems that Nigeria and other nations have been battling for years.

Please find enclosed our proposal documents, product inspection copies and brochures for more information about our project. We also have these documents on a weblink to make sharing with other decision-makers easier via this link:

**<https://www.kickoutmalaria.com/rbm>**

We would be very grateful if our request could be granted, as it would help us to achieve our project goals in a timely manner.

Thank you for your consideration.

Yours faithfully,

**PAUL ABAYOMI JEREMIAH**
