3. OPENING OF A PAYMENT ACCOUNT

3.1 Account Holder's prior declarations

The Account Holder, a qualified legal entity or natural person, expressly declares having the capacity and/or having received the authorisations required to use the Payment Services provided by Lemon Way and guarantees Lemon Way against any liability that it may incur as a result of a false declaration.

The Account Holder declares that it acts on its own behalf. The Account Holder has the obligation to use the services provided by Lemon Way in good faith, for lawful purposes and in compliance with the provisions of the Framework Agreement.

Any Account Holder who is a natural person declares to be resident in France or in the European Economic Area.

For any other country of residence or registration, Lemon Way reserves the right to study the application to open a Payment Account in order to comply with the geographical scope of its authorisation.

3.2 Sending of identification documents

Lemon Way informs the Account Holder that in accordance with the identification requirements relating to the anti-money laundering and combating the financing of terrorism, opening the Payment Account is subject to sending and validating the required identification documents according to the capacity of the Account Holder.

Lemon Way reserves the right to request any other document or additional information, to allow it to carry out the appropriate verifications in accordance with its legal obligations including for the anti-money laundering.

The Account Holder agrees to let the Partner Site send these documents to Lemon Way by computer transmission and uploading on Lemon Way's computer systems.

3.3 Terms of approval of the Framework Agreement

The Framework Agreement must be approved by the Account Holder by any means. The latter acknowledges having carefully read, understood and accepted the Framework Agreement in its entirety.

3.4 Acceptance of Opening a Payment Account

Lemon Way may refuse to open a Payment Account for any reason without having to justify its decision. This will not give rise to any payment of damages.

Subject to the express written permission of his or her legal representative, a minor under the age of eighteen (18) years old may open a Payment Account.

For this purpose, the required identification documents will be those of the legal representative having given his or her express and written authorisation, those of the minor, as well as a document which serves as evidence of authority (family record, court decision conferring the power of representation).

The Partner Site may send the acceptance or refusal of the opening of its Payment Account to the Account Holder by sending an Email. Upon acceptance, the Account Holder may identify himself on the Partner Site to verify that his Payment Account is open.

3.5 Specific regime for occasional customers

The occasional customer is the “visiting” customer who requests the intervention of Lemon Way to execute an individual Payment Transaction or several Payment Transactions with a link between them subject to the limits applicable by Lemon Way. Transactions carried out by an occasional customer will not be subject to the opening of a Payment Account.

Lemon Way recalls that the specific regime for occasional customers is only applicable to a certain type of clientele and activity.

Acceptance of this Framework Agreement does not lead to an entry into a business relationship and the opening of a Payment Account in the event that the specific regime for occasional customers is applicable.

Lemon Way reiterates that if the applicable Payment Transaction limits are exceeded, the opening of a Payment Account will be required in order to carry out new Payment Transactions.

4. CREDITING THE PAYMENT ACCOUNT

4.1 Funding the Payment Account

The Account Holder may proceed to fund his Payment Account by the payment methods made available by the Lemon Way Partner.

In case of funding the Payment Account by cheque (French only), they must be made payable to the order of Lemon Way.

The funding must be made from a bank account opened in the Account Holder’s name by a third-party PSP in order to transfer these funds by internal transfer to another Payment Account opened in Lemon Way’s books. These two Payment Transactions are deemed interrelated.

For security reasons, Lemon Way may refuse or cancel the registration of the payment method used by the Account Holder.

Lemon Way sets payment limits in the interest of protecting the Account Holder and complying with the regulations in force regarding Payment Services. Single limits, per day, per month and per year, as well as all forms of restrictions (in particular regarding the strong authentication of the Account Holder) are applied by Lemon Way to fight against fraud.

The Account Holder is informed that any Payment Transaction that may result in exceeding the applicable limits will automatically be rejected by Lemon Way.

Any Transaction by credit or debit card, which is the subject of a non-payment, rejection or objection will have its amount automatically be deducted by Lemon Way from the net balance of the Payment Account. If the net balance is insufficient, Lemon Way is entitled to use all remedies against the Account Holder to recover the amount due. In addition, Lemon Way will be entitled to refuse to execute all future payments made using the card that gave rise to the incident.

Lemon Way also debits the Account Holder's Payment Account for the Payment Transactions that were rejected and other penalties that may be issued by the acceptance networks.

4.2 Lead time for the recording of funds on the Account

Lemon Way will record the funds resulting from the purchase of a Payment Transaction by credit card or bank transfer as soon as possible and no later than the end of the Business Day in which the funds are received by Lemon Way.

The lead time for recording funds on the Account may be longer if other payment methods made available by Lemon Way are used.

For security reasons, the recording lead time may be longer in the event of suspicion of fraud pending the provision of additional information by the Account Holder or any other third party concerned.

5. DEBITING A PAYMENT ACCOUNT BY TRANSFER

5.1 Initiating a Payment Order

Lemon Way provides a payment service allowing Account Holders with a Payment Account to instruct Lemon Way to execute a transfer provided that the Funds in the Account are greater than the total amount of the transfer (including costs). In case of insufficient Funds, the Payment Order will automatically be rejected.

The Funds available are the net balance of the Payment Account excluding the Funds frozen and the Transactions in progress. The amount of the Funds frozen is determined by Lemon Way to cover any reversals arising from the dispute of a Payment Order. Such a dispute may occur within a period of thirteen (13) months from debiting the Account for the Transaction.

The Payment Order may be made either to the attention of another Payment Account opened in Lemon Way's books, or to the attention of a bank account in the Account Holder's name opened in the books of an authorized third-party PSP.

The Payment Order must include the following information:

- the amount in euros;
- The first name and surname of the Beneficiary;
- the number of his bank account opened in the third-party PSP's books.

The Account Holder acknowledges that if the currency of the Payment Account differs from that of the Beneficiary account to which the funds will be transferred, exchange rate fees will be charged by the Beneficiary's PSP. It is the responsibility of the Lemon Way Partner and the Beneficiary's PSP to inform the Beneficiary of the exchange rate charged, fees and deadlines, before any acquisition of a

transfer order. This information must be sent to the paying Account Holder by the Partner.

Lemon Way cannot be held responsible if the bank details provided for transfer requests are incorrect or not updated.

5.2 Irrevocability of a Payment Order

The Payment Order validly given by an Account Holder is irrevocable for the Account Holder as of the entry of a single-use code in accordance with article 5.1. The Account Holder will not be able to request cancellation of the Payment Order.

However, Lemon Way may block any Payment Order in the event of a suspected fraud or violation of anti-money laundering and combating the financing of terrorism (AML-CFT) applicable rules.

Payment Orders are subject to the prior consent of the Payer or the Account Holder. In the absence of such consent, the Transaction or series of payment Transactions shall be deemed not authorised.

The consent may be withdrawn by the Payer as long as the Payment Order has not acquired a character of irrevocability in accordance with the provisions of article L. 133-8 of the French Monetary and Financial Code.

When the Payment Transaction is initiated by the Beneficiary or by the Payer who gives a payment order through the Beneficiary, the Payer cannot revoke the payment order after having transmitted the Payment Order to the Beneficiary or given the Beneficiary his consent to execute the Payment Transaction.

Consent to execute a series of Payment Transactions may also be withdrawn, with the effect that any subsequent Transaction shall be deemed unauthorised.

5.3 Amounts of ceilings and applicable limits

Any Payment Transaction that is likely to exceed the limits applicable to the amount of the cumulative monthly payments will automatically be rejected by Lemon Way.

Other ceilings or Payment Order blockages may be activated at any time by Lemon Way in case of a risk of fraud.

Lemon Way reserves the right to reverse a Payment Transaction if the transaction to transfer funds by credit or debit card used to credit the Payment Account in order to complete the transaction is rejected or cancelled by the PSP issuer of the card.

5.4 Lead time for executing orders

The maximum execution times for Payment Services, in accordance with the decree of 29 July 2009, applying article L. 133-13 of the French Monetary and Financial Code, are as follows:

- a Payment Transaction initiated on a Business Day will be executed by Lemon Way no later than the following Business Day if it is made in euros for the benefit of a credit institution located in a Member State of the European Union;
- a Payment Transaction initiated on a Business Day will be executed by Lemon Way no later than the end of that Business Day if it is made in euros for the benefit of another Payment Account.

6. REPORTING

6.1 By Transaction

When a Payment Transaction is made, Lemon Way or the Partner Site automatically sends a confirmation email of the Transaction to the Account Holder who initiated the Payment Order. This email contains all the information relating to the Payment Transaction that has been

communicated to Lemon Way, such as: the identity of the Beneficiary or the Payer, the description of the Payment Transaction, its amount, the date and time of the Payment Transaction and any special payment conditions.

6.2 Statements

All Payment Transactions are included in a statement established in real time for each Payment Account.

The Account Holder will have access to the Payment Account statements showing all the Payment Transactions debited and credited to this account via the Partner Site.

The consultation period is maintained for two (2) years plus the current year. For the applicable regulatory periods, Lemon Way will keep an electronic file of the records documenting the Payment Transactions carried out.

7. DURATION OF THE FRAMEWORK AGREEMENT AND EFFECTIVE DATE

The Framework Agreement comes into force for an indefinite period at the moment of acceptance of these terms by the Account Holder.

The Account Holder has a period of fourteen (14) calendar days to waive the Framework Agreement free of charge, if he meets the conditions of article D. 341-1 of the French Monetary and Financial Code for legal entities or if he is a natural person. This period runs from the day the Framework Agreement is concluded, i.e. the day the Account Holder accepted these terms & conditions. During this cancellation period, the execution of the Framework Agreement may begin only at the express request of the Account Holder. The Account Holder expressly acknowledges and agrees that any payment instruction sent to Lemon Way before the expiry of the cancellation period constitutes an express request by

the Account Holder to execute the Framework Agreement. The Account Holder will not be entitled to cancel a payment instruction that he has given and confirmed during the cancellation period.

This right of cancellation may be exercised by the Account Holder without penalty and without giving reasons.

The Account Holder is obliged to notify Lemon Way, by any means, of his decision to cancel. If the Account Holder does not exercise his right of cancellation, the Framework Agreement will be maintained in accordance with the provisions of these terms & conditions. To terminate the Framework Agreement, he will have to comply with the termination conditions of article 19.

8. CLAIMS

Lemon Way does not consider claims relating to the relationship between two Account Holders or between an Account Holder and a third party to be admissible. Only those relating to the absence or the improper performance of a Payment Transaction executed by Lemon Way are covered by this article and by the Framework Agreement.

Claims (disputes, rights of objection, access and rectification) may be exercised free of charge on request sent to Lemon Way by email at the following email address: support@lemonway.com or by mail to the following address:

10. SECURITY

10.1 Notification obligation

Lemon Way cannot be held responsible for the consequences of an objection that does not emanate from the Account Holder. The request to make an objection shall be deemed made on the date of actual receipt of the request by Lemon Way or any person authorised by it for that purpose. In case of theft or fraudulent use, Lemon Way is

entitled to request a receipt or a copy of the complaint filed, from the Account Holder who undertakes to respond to it as soon as possible.

When Lemon Way is responsible and at fault for a Payment Transaction that has been improperly executed, Lemon Way shall promptly return the amount to the Payer and restore the debited account to the position that it would have been if the poorly managed Payment Transaction had not taken place.

18. BLOCKING AND FREEZING OF THE ACCOUNT

18.1 Blocking the Payment Account

The temporary and immediate suspension of a Payment Account may be declared by Lemon Way for any reason, at the discretion of Lemon Way, and in particular:

- If the Account Holder has not complied with the provisions of the Framework Agreement;
- If the Account Holder has provided Lemon Way with inaccurate, outdated or incomplete identification data;
- In the event of a significantly increased risk of incapacity by the Account Holder to fulfil his payment obligation;
- In case of receipt by Lemon Way of a large number of refunds, non-payments, cancellation of Orders or disputes for unauthorised Payment Transactions.

The Account Holder shall be notified of this decision by any means. Since suspension of the Payment Account is intended to protect the Account Holder, it shall not in any case give rise to the payment of damages to the latter.

Reactivation of the Payment Account will be at Lemon Way's discretion, based on additional information or documents which may be requested.

Depending on the seriousness of the breach of the Framework Agreement and, in particular, if the Payment Account is used for illicit purposes or contrary to common decency, Lemon Way reserves the right to terminate the Framework Agreement in accordance with the provisions of article 19.

Lemon Way reserves the right to apply penalties and management fees to the Account Holder and claim damages from the Account Holder.

18.2 Freezing of the Payment Account

In application of the screening measures used by Lemon Way (based in particular on the internal sanctions and politically exposed persons lists), a Payment Account may be frozen immediately by Lemon Way in case of risk of fraud, money laundering or financing of terrorism or risk that may affect the security of the Payment Account.

The Payment Account may be unfrozen after complete due diligence of Lemon Way's AML-CFT team, and the funds shall be handled in accordance with the measures provided by the French Treasury Department.

19. TERMINATION OF THE FRAMEWORK AGREEMENT

The Account Holder may terminate the Framework Agreement *ipso jure* which will entail closing his Payment Account by any means after complying with a (1) one-month notice period. The Account Holder must maintain sufficient Funds to ensure successful completion of the pending Payment Transactions during the time necessary for settling them and payment of the fees owed by the Account Holder.

Lemon Way may automatically terminate the Framework Agreement which will entail closing the Payment Account by registered letter with acknowledgment of receipt following a (2) two-month notice period.

In the event of a serious breach by a Party, the Framework Agreement may be terminated with immediate effect. Serious breach by the Account Holder is understood as: communication of false information; exercise of unlawful activity, contrary to common decency, money laundering or terrorist financing; threats against Lemon Way's employees or the Partner's employees; failure to pay; breach of an obligation by the Account Holder hereunder; termination of the relationship between the Account Holder and the

Partner; over-indebtedness or, for legal entities, appointment of an ad-hoc representative, an insolvency administrator, initiation of insolvency or liquidation proceedings. Serious breach by Lemon Way is understood as: communication of false information; breach of an obligation hereunder; appointment of an ad-hoc representative, an insolvency administrator, initiation of insolvency or liquidation proceedings.

In the event of a change in the applicable regulations and the interpretation made thereof by the relevant regulatory authority, affecting the capacity of Lemon Way or its employees to execute the Payment Transactions, the Framework Agreement will automatically be terminated.

The Account Holder will no longer be able to send a Payment Order as of the effective date of the termination. The Account may be kept open for a period of 13 months to cover any disputes and subsequent claims. Payment Transactions initiated before the effective date of termination will not be affected by the request for termination and must be executed under the terms of the Framework Agreement.

The termination of the Framework Agreement shall result in the definitive closure of the Payment Account. Closing a Payment Account may not give rise to any compensation, whatever may be the damage caused by the closing of this Payment Account. Unless expressly agreed by Lemon Way, the Account Holder whose Account has been closed by Lemon Way is not authorised to open another Payment Account. Any Payment Account opened in violation of this provision may be immediately terminated by Lemon Way without notice.

The Funds on the Payment Account object of the closure will be entitled to a transfer payable to the Account Holder of said account, according to the instructions of the latter and subject to (i) the pending Payment

Transactions and any subsequent non-payments, bank refusals or objections and (ii) the regulation applicable to frozen assets as provided by the French Treasury Department. If a successor is appointed by Lemon Way, the Account Holder might be asked to close his Payment Account and transfer the Funds to a new payment account opened in the books of the institution appointed as the successor.

Lemon Way reserves the right to claim compensation from the court for damages it may have suffered as a result of the violation of the Framework Agreement. The closing of the Payment Account may give rise to costs within the limits of article L. 314-13 of the French Monetary and Financial Code.

20. AMENDMENT TO THE FRAMEWORK AGREEMENT

The provisions of the Framework Agreement may be amended or supplemented at any time, in particular with a view to complying with any legislative, regulatory, jurisprudential or technological developments.

Any proposed amendment to the Framework Agreement shall be communicated to the Account Holder in writing on paper or on another durable medium no later than two (2) months before the proposed effective date for its entry into force.

In the absence of a written objection by registered letter with acknowledgment of receipt sent to Lemon Way by the Account Holder before the expiry of this two-month period, the latter shall be deemed to have accepted these amendments. In case of refusal of the proposed amendment, the Account Holder may terminate the Framework Agreement free of charge upon written request, before the proposed effective date of said amendment. The fact that one of the Parties does not claim a breach by the other Party of any of the obligations referred to herein shall not be construed, for the future, as a waiver of the obligation in question.

In the event of conflict of interpretation between any of the titles and any of the clauses of the terms & conditions, the titles shall not be taken into account.
