Magically Mobile

Eye is a magical tool designed to accompany you wherever you go. This compact device seamlessly integrates an advanced camera, HD touch screen, and built-in speaker, doubling as a walkie-talkie for instant communication

Magically Simple

Eye effortlessly connects to the workstation with just one click. Utilize its back camera to scan, capture, or record items, seamlessly transferring their information to your ElysStation in an instant.

Magically Connected

Seamlessly sync and share on the go with Eye, as it remains connected through WiFi and Bluetooth, facilitating seamless in-store communication and operation.
