

Herman's Hermits - I'm Into Something Good

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

Woke up this morning feelin' fine
There's something special on my mind
Last night I met a new girl in the neighborhood, whoa
yeah

Something tells me I'm into something good
(Something tells me I'm into something)

She's the kind of girl who's not too shy
And I can tell I'm her kind of guy
She danced close to me like I hoped she would
(She danced with me like I hoped she would)
Something tells me I'm into something good
(Something tells me I'm into something)

We only danced for a minute or two
But then she stuck close to me the whole night
through
Can I be fallin' in love?
(She's everything I've been dreamin' of)

She's everything I've been dreamin' of

I walked her home and she held my hand
I knew it couldn't be just a one-night stand
So I asked to see her next week and she told me I
could

(I asked to see her and she told me I could)
Something tells me I'm into something good
(Something tells me I'm into something)
(Something tells me I'm into something, ahhh)

I walked her home and she held my hand
I knew it couldn't be just a one-night stand
So I asked to see her next week and she told me I
could

(I asked to see her and she told me I could)
Something tells me I'm into something good
(Something tells me I'm into something)
Something tells me I'm into something good
(Something tells me I'm into something)
To something good, oh yeah, something good
(Something tells me I'm into something)
To something good, something good, something
good
