

**WANT TO INCREASE
YOUR FURNITURE
PRICE BY
\$200-\$500
PER SET?**

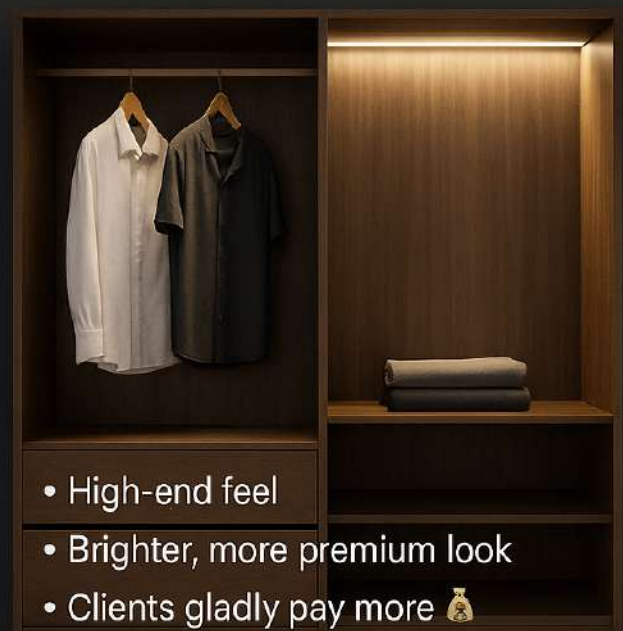

Lighting changes everything.

Your furniture may be good — but lighting makes it *irresistible*.*

Without Lighting

With Our Lighting Kit

Most of our clients increased their selling price \$200–\$500 just by adding the right lighting system

WHY CAN YOU CHARGE MORE WITH OUR LIGHTING KIT?

1 Boosted
PERCEIVED VALUE

2 UPGRADED
BUYER EXPERIENCE

3 STRIKING
SHOWROOM
EFFECT

4 CLEAR
DIFFERENTIATION

BETTER LIGHTING = BETTER PRICE.
That's how our clients win.

How Our Clients Increased Sales with Better Lighting

- After installing your smart light kit, we raised the price of our wardrobes from \$990 to 1390+.
- Clients loved the lighting — help us win more premium orders.
- Now we add lights to all display models, because it impresses buyers.

How to Maximize the \$200–\$500 Value

- 1 Always present your furniture as a complete set with lighting — just like premium brands do.
- 2 Focus on the user experience: automatic on/off, uniform glow, clean lines.
- 3 Highlight what others don't offer — custom cut, sensor, hidden power, no extra setup

Lighting isn't a cost.
It's your most profitable upgrade.

Join 300+ Furniture Brands Using Our Lighting Kits

“After using the lighting kit, our cabinets looked 10x better — and we sold them 20% higher.”

— John, UK Furniture Manufacturer

“Clients kept asking where the lighting came from. Now it's a must-have in all our lines.”
