

Twin Peaks Off Road, LLC.

Scholarship Application

\$1000.00 awarded to the winner

Twin Peaks Off Road is dedicated to the preservation of off highway motorized recreation. Through donations from our suppliers and calendar sales as well as donations from Twin Peaks Off Road, we have proudly built a fund to help pay for college tuition and related expenses. This scholarship will be awarded to a student who applies and meets the criteria of attending automotive trade school, welding school, or industry related trade schools. Our hope is that by helping a student attend trade school, we would be helping them prepare for future employment as well as supporting outdoor motorized recreation.

To apply, please submit a one page essay explaining what your interests are in attending schools specifically related to the trades. Tell us what hobbies you enjoy and what your goal is for future employment. If you are a member of any school associations or groups such as FFA, student leadership etc. please include in your essay. Brag about yourself! Tell us why you are the one we should award the scholarship. Most of all, have fun! And good luck!

APPLICATIONS MUST BE SUBMITTED BY APRIL 30TH, 2020. ANY HIGHSCHOOL SENIOR GRADUATING IN 2020 OR CURRENTLY ATTENDING TRADE SCHOOL IS ELLIGIBLE.

Please include the following:

Name: _____

High School Attending: _____ Year Graduating: _____

Address: _____

Phone: _____ Email address: _____

Send completed application to : Twinpeaksoffroad@gmail.com or mail to: Twin Peaks Off Road, 372 Colonial Rd, Roseburg, OR 97471
