Cingcowong Indra Swara Jaipongan Kandagan Dance Peacock Nyalawena Sampyun Majalengka Dance Cikeruhan Mask Clan Udeng Mask Dance Priangarya Mask Cisolak Wayang Cepak Wayang Golek Received from Every region in Indonesia has its own culture and become its own characteristic. In addition, Western Java is famous for its many cultures and art. West Java cultureelshinta.com The culture of Western Java is dominated by two main cultures, namely The Sundanian culture and Cirebon culture. Sundan culture flourished in Sundanese, Tanah Pasundan and Tanah Priangarje. Cirebon culture thrives in the former regency of the Cirebon northern region. Other crops that develop in West Java are betawi and coastal cultures and are developing in areas bordering DKI Jakarta and coastal areas. The western part of the island is bordered by DKI Jakarta and Banten Province, and the eastern part borders East Central Java. Bandung is the capital of Western Java Province.Well here I will discuss briefly and clearly what culture is in West Java. Read it before it's over! Baratblue.kumparan.com Most of the residents of West Java are Sundanians who speak Sundan. In Cirebon regency and Cirebon the city speaks in Cirebon language similar to banyumasan language with the Dialect of Brebes.There is a saying that language shows the nation. The indigenous peoples of West Java are Sundanes and Cirebon, so the language used daily in West Java is mainly Sundan and Cirebon. This language is used by some people in Priangarje, Chibleon and other surrounding areas. Sundanese culture is also one of the cultures that evolved in Western Java with the main language, namely The Sundan language. According to history because of the rule of the Mataram kingdom, which once conquered the territory of West Java in the 17th century. This Sundan language is influenced by the Javanese language. As a result of this influence on the Sundan language is known for its base-usuk. It is a way of using a language that is adapted to the social level of language users in society. Thus, the term rough IemesCohag or rough pisan (very rough)Sublime or Iemes pisan (very thin) whose use is adapted to the person speaking. This previously feudal language is not known in grammar Sundansky is also known for several dialects. Among others: Bojor (Caravan)Priangarje Cerbon.Each of these dialects has its own peculiarities. The traditional home of West Javaexpektasia.comFolther are some traditional homes of Western JavaNoNama Rumah AdatKeteranganimah Badak Heasy Traditional House of West Java it makes sense or meaning rhino that evaporates. Heuay Rhinoceros traditional house is still located in the community area of the sukbumiRumah Togog AnjingRumah Togog Anjing makes sense as a sitting dog. The design of this house is typical of garut. Imah Julang NgapakImah Julang Ngapak meaning bird that flaps its wings. The design of this house is widely used in the Tasikmalayalmah jolopong Jolopong area The traditional home most built by people in the garut area. Imah Parahu KumerebThere is in the ciamisimah capit guntingcapit area meaning to pick up something by clamping. While the scissors are the same as a crossed knife. LengkongThere is located in the Garangwangi Kuningan.CitalangThere district in purwakarta regency. Home architecture is a petting thing to reflect culture. The average traditional house has a spacious meeting place or room. Most of these indigenous Sundan houses have a scenic image. Until now, this traditional house is still in several locations in Western Java.Sundanese traditional house is usually divided into three main parts, namely: the front terrace. The middle part is called the middle of the ima and the bedroom. Kitchen backs or pawon and pedaringan or goah. This custom home usually has a front yard and back. The shape of the ice cream of the traditional house has a rather elongated rectangular shape. The skeleton of his house is made of wood. The roof (hate) of his house is made of leaves of juca or diamond. The walls of the traditional house are made of cabins, namely bamboo slices, which are decorated with a pattern of braids or sasaga. The floor of the house is made of pulp. Pillars of the house stand with stones called looks. The location of this traditional West Java house extends west-eastwards, and the door goes from north to south. This does not contrast the direction of the sun's journey or the will of nature. Well, if you want to see examples of modern building structures, please visit avantela.com.Traditional Clothing Of West Java (jokoway.com) Traditional Pangsi Clothing West Java In general famous people of West Java their traditional clothing is divided into several parts and based on the community, such as: Baju Pang sundanese kebaya and kebaya in addition to kebat fabrics (ordinary folk)Surgical clothing and kebaya (middle people)Golden thread embroidered velvet coat (noble people)Beskap (for mojang and jajaka)Sundanese wedding traditional dress Sundanese traditional dress For children Western Java traditional clothing on Grouped in .p, namely the priangare style of traditional clothing. Here are the similarities and differences of traditional clothing from the two tribes. Priang women's traditional clothing wears a kebab surawa, but Chirebon women wear soronong or braces. Priangarier and Chitrobon women wear batik cloth wrapped around the lower body, from the waist to the ankles. Priangarier and Cirebon women of the people wear equipment such as gold or silver bracelets, bahar bracelets, gold or silver pelenis suweng, all meneng, and sandals. While noble women of Priangarya and Cirebon wear clothes such as gold necklaces, gold bracelets, gold giwang, and slippers with beaded decorations at the ends. Pria-Laki Adat Pria clothing is used for Priangarya and Chirebon in forest sarongs or hooded poles and tied or wrapped around the waist. Pria pria Priangan and Cirebon wear komprang trousers decorated with passmen. Priangarier and Cirebon men wear rket for hats. Priangarier and Cirebon are ordinary folk men wearing clothes such as gold rings, gold or silver chains with pendants of tiger nails, like suit decorations on the chest, and shoes or slippers. The clothing that is used as a symbol of the identity of traditional clothing in the West Java area is Priangarier Traditional Clothing.Traditional art of Western Java (pbs.tvimg.com) wayang golek which is typical art of Western Java sundanese people who are famous for their hospitality has various histies that produce various traditional art. People are also known to be good and friendly. The Sundan people hold the motto Someah Hade ka Semah means very friendly to guests. It's just that mixing the outside community, makes the culture mixed. The Sundanian custom is gradually disappearing. Here are some traditional Ice Cream Javanese Art, which is still preserved todayNoType ArtTianWayang GolekWayang golek is similar to wayang kulit, but in the show wayang golek, the mastermind always uses his local language. The dance of JaiponganJaipongan is a type of Sundan traditional dance, precisely from Karawang. Born from the creative hands of H. Swand in 1976. Jaipong dance is a mixture of other arts such as foamak silat, mask banjet, tap tilu, wayang golek and others. DegungDegung is a traditional Bandung instrument and is well known throughout Indonesia Rampak GendangKata drum rempak taken from drum offerings in unison. The instruments consist of drums, gongs, sarons and play simultaneously.5SisingaanSisingaan comes from a subang city. This art is inspired by Reog in East Java, which is very interesting. This is a Renggongtarian Horse of Sumedang. Renggong means the skill the horse used was trained to dance to the rhythm of music. BajidoranA art originating from Subang and Karawang. Dancers or commonly referred to as Ronggeng will squeal lenggok dancing following wasp drums and gamelan. Cianjuran Actually the name of this tool mamaos. Sundan musical instrument since 1930. This tool is usually accompanied by a rick harp, combined with distilled, rebab, and cacapi manure. Accompanied by singers with a Sundanese language. Kakapi distilled is one of the arts that really describes Sundanes culture. As the name implies, the distilled harp consists of a harp and flute instruments. Here is the division of art in West Java: TariTarian art in West Java includes two groups. There is a group, namely: Classical Dance: Classical Dance is a type of dance that is still dense with local cultural traditions.
