WHAT IS MANIPUR HORROR?

Thousands of persons on Tuesday took part in the 'Solidarity March', organised by the NGOs Coordination Committee in the Mizoram capital on Tuesday to express solidarity with the violence hit Kuki-Zo tribals in Manipur, and demanded the Central and Manipur government restore peace and normalcy at the earliest. Mizoram Chief Minister Zoramthanga, his deputy Tawnluia, several ministers, and many MLAs of the state cutting across party lines took part in the massive march. The 'Solidarity March', which was held in Aizawl and various other districts simultaneously, has also strongly condemned the Central and Manipur government for the "brutal attacks" on the tribals and atrocious sexual assaults on the tribal women. Carrying placards and banners, the spirited 'Solidarity March' slammed Prime Minister Narendra Modi for his "silence" and criticised Manipur Chief Minister N. Biren Singh for his total failure to deal with the situation. "The suffering of tribals in Manipur is our suffering", "Mizoram stands with Kuki-Zo tribals", "Let us not go back to barbaric era", "Women's bodies are not battlefields", "Death penalty for Manipur rapists", "Stop killing Christians in Manipur", were among the messages on the banners and placards.

INDO-CANADIAN BANINDERDEEP SINGH'S MURDER CASE: POLICE ARREST 5 ACCUSED; DOMESTIC HELP HATCHED CONSPIRACY

An orphaned youth who had been serving the family of deceased Indo-Canadian Baninderdeep Singh (42) for over 15 years at Lalton Kalan turned out to be the key conspirator behind the gruesome killing. The key conspirator in connivance with a friend of the deceased hired four contract killers. The Ludhiana police claimed to have cracked the murder case within 72 hours with the arrest of six accused, including a 17-year-old minor. The arrested accused have identified as Bal Singh (28), an orphan from Madhya Pradesh living with the NRI's family for last 15 years and was treated like a son, and Jagraj Singh alias Gaja (29) of CRPF colony, Dugri, a friend of the deceased already facing five criminal cases. Four contract killers hired by accused Bal Singh have been identified as Jaspreet Singh alias Jassi (23) of Jagdev Nagar, Sohil Ali (22) of Mehmoodpura, Varinder alias Vicky (22) of SBS Nagar and a minor from Dugri. Police Commissioner Mandeep Singh Sidhu, Joint CP Jaskiranjit Singh Teja, DCP Crime Harmeet Hundal, Additional DCP Sameer Verma held a press conference regarding the matter. CP Sidhu said on June 18 night, NRI Baninderdeep along with accused Bal Singh was heading home from his farm house when four assailants cornered them and brutally attacked NRI with sharp-edged weapons. The NRI died on the spot. The assailants also inflicted minor injuries on Bal Singh to make police believe that Bal was not involved in the crime. Bal had updated the contact killers the location of the NRI while leaving the farm house.

WHO CANADIANS RANKED AS BEST & WORST PM?

For almost half of Canadians, Jack Layton would have been a "very good" or "good" head of the federal government.

Pierre Trudeau keeps a sight lead over Stephen Harper as Canadians ponder the best prime ministers of the past 55 years, a new Research Co. poll has found. In the online survey of a representative national sample, 20% of Canadians (+1 since a similar Research Co. poll conducted in June 2022) think Pierre Trudeau has been the best head of government since 1968.

INDIAN DIASPORA'S SUCCESS STORY HAS CHANGED HOW US VIEWS INDIA

The rapid rise of Indian-Americans from politics to administration, entrepreneurship to technology, medicine to hospitality, science to academia has put the global spotlight like never before on the high-achieving four million-plus strong diaspora. The community happens to be the most educated with the highest median income in the US, with an average household earning of \$123,700 -- making them the top earners in the US among other Asians in the country.

CANADIAN INNOVATION CONTEST 2023 AND THE AWARD CEREMONY GALA
HELD ON JUNE 23, 2023, WAS AN UNPARALLELED SUCCESS!

TORONTO, ON - Competitive Kids STEM (CKSTEM) is a volunteer-run, nonprofit organization that enhances kids' education by enabling them to achieve excellence. Through their unique coaching model and competitive training, students are empowered to participate in various global competitive exams in STEM. Since its inception in 2019, CKSTEM has conducted STEM contests in Math, Debate & Public speaking and Computing. Following CKSTEM's philosophy of "Learn, Compete & Win" students are provided with free training and learning material to help them excel in their academics as well as global contests. This year CKSTEM introduced a new theme based on the innovations from Canada standing true to its origin, highlighting the achievements and contributions of Canadian Innovators. Canadian Innovation Contest 2023 was held from April - June 2023 and introduced three additional contests to provide a comprehensive range of learning. These six unique contests are:

- * Canadian Innovation Math Contest (CIMC)
- * Canadian Innovation Computing Contest (CICC)
- * Canadian Innovation Debate Contest (CIDC)

* Canadian Innovation Virtual Art Contest (CIAC)
* Canadian Innovation Creative Writing Contest (CIWC)
* Canadian Innovation Photography Contest (CIPC)

These contests were conducted online and were offered free of cost to all participants, transcending any physical, geographical, social, or economic barriers. Over 5000 students worldwide participated in these contests doubling from last year, including participation from 200+ schools globally. As part of the free training provided, students solved over a million practice problems using the resources on CKSTEM's learning platform, demonstrating high interest and commitment. The contests resulted in over 370 winners. These winners were awarded medals, trophies, and scholarships worth over CAD \$70,000 at an Awards Ceremony Event held on June 23, 2023, at Chandni Banquet Hall, Brampton. A few students won high accolades and special achievement awards due to their extraordinary performance in numerous Global Olympiads in Math, Computing and Science that ranged from grades 1-12. One such student who stood out is Ansh Agarwal, who ranked #1 worldwide in SASMO (Singapore and Asian Schools Math Olympiad) and European Pangea Math World Olympiad. In addition, he is also the #1 rank holder for Canada in AMO (American Math Olympiad). The annual Awards Ceremony was graced by the trifecta of Community leaders, industry experts and educators across GTA, with Mr. Yudhvir Jaswal, CEO & Group Editor of Y Media Group, as the Chief Guest, awarding these young talented winners. In his engaging message to the over 200 students and their families, Mr. Yudhvir focused on the importance of learning and encouraged students to develop good habits to become good learners.

to excel and present their best to the world. To recognize teachers for their hard work and dedication to supporting such enrichment activities in schools, CKSTEM recognized several teachers by awarding them the "Outstanding Teacher Award". Over 50 teachers were shortlisted for this award. Ms. Cerasela Tesleanu, a math teacher at Collège Stanislas Montreal & Suzanne Monir, a Science teacher from Upper Canada College, won the Exemplary Teacher Award. In addition, 8 more teachers from different Canadian school boards also won the outstanding teacher award. CKSTEM would like to thank Y Media as a media partner for their continued support along with DNLCore, mobileLIVE, Nydia Tech, Naresh Thakur - RBC Wealth Management, Waseer Law Office, Bollywood Dance School Canada and Nothers - the Award Store. For more information on all the winners and future courses offered, please visit www.ckstem.org
