He says, You are an awful person. He says: What makes you think I'll ever ask you? He says, The world will be a better place without you being in it. Lara just told her on Facebook that she thought Kristiansand liked her, that she was finally going to ask her to dance back to her school home. They've been talking online for weeks, so what's the sudden change? And where does he get out of saying terrible things on his wall? Even worse - are they right? Lara's been feeling so bad for a long time, this depressing, this ugly one. She worked really hard to become beautiful and happy - and new friends after what happened in middle school. Barry used to be the best friends with overweight, depressed Lara, but constantly listening to Lara's stuff should be too much. Secretly, Barry's happy to call Kristen Lara out, Lara isn't as amazing as people think, but she didn't realize how hard Cristian's harsh comments would push Lara. It's not even Barry, with online life dealing with real life, everything gets out of control, and not just for Lara. Because when the truth begins to come together, the reaction is even more devastating than anyone could have imagined. In critically acclaimed author Sarah Darer Littman gripped a new novel what happens online doesn't always stay online... Lara just told her on Facebook that she thought Kristiansand liked her, that she was finally going to ask her to dance back to her school home. Lara's been feeling so bad for a long time, this depressing. She's worked very hard since starting high school to be happy and make new friends, Barry used to be overweight BBFs, depressed Lara in middle school, but constantly listening to Lara's problems must be too much. Barry is secretly happy that Kristiansand has pointed to Lara's flaws in the world. Lara isn't as great as everyone thinks, after weeks of online talk, Lara thought she knows Christian, so what's going on with this sudden change? And where does he get out of saying terrible things on his wall? Is it even worse than they're true? But no one noticed how harsh Cristian's comments would push Lara. It's not even Barry, with online life dealing with real life, the truth begins to come together, and the reaction is even more devastating than anyone could have imagined. 27.05.2015 I have a feeling that Marco Mengoni and the reaction by Sarah Darer Littman will make a good mix. =) 28.05.2015. Actual score: 2.5Yeah... Marco Manguni was much better than this book. The main problem with this book is that I couldn't connect or relate to any of the characters:•There's Lara being bullied by this Christian boy on Facebook and really depressed in middle school-he decides to take his own life by taking the pill. I understand that he was hurt but taking his I I 27.05.2015 I feel that Marco Mengoni and the reaction by Sarah Litman makes a good mix=) 28.05.2015. Actual score: 2.5Yeah... The main problem with this book is that I couldn't connect or relate to any of the characters:•There's Lara being bullied by this Christian boy on Facebook and really depressed in middle school-he decides to take his own life by taking the pill. I understand that he was hurt but getting his life told because of what someone he had ever met? I don't get it.♦♦there's her younger sister Sydney,who feels like she's constantly in the shadow of her elder sister-she is a fucking prat. How can you really care about your sister? How come you're not really gonna help him? Her sister almost killed herself. The doctor tells us you can come home tomorrow, mom says. Why didn't anyone tell me that? This place is so awful that I feel like the world's worst sister for even thinking of this, but I've somehow enjoyed being the only child at home in these last two weeks. No need to wait to use the computer or bathroom. No Lara using all the hot water before I shower. And best of all, even though my parents are still talking about Lara, they seem to notice me more. Your sister tried to kill herself, and you're grateful for that because now you can have your own bathroom and computer? And he's not getting any better. I'm a younger sister and I'll probably die if that happens to my sister.♦There's Barry who was once Lara's best friends and used to listen to her say how she hates life and just wants to die. She felt strangled by Lara and her depression and wanted to break free. Now, when Lara's getting better, everyone's jealous and crazy. So he (view spoiler)[makes a fake Facebook account and pretends that he's this hot Christian guy to flirt with Lara and then break his heart and humiliate him. (Hide Spoiler)] ♦There's Liam, Barry's younger brother, which is kind of good, I guess. She's the only character I kind of liked she was angry with her sister and her parents, she actually cares about Lara and Sydney and she's very funny. Without him this book would be very bad.♦♦ And there are their parents. What's wrong with all these stupid parents in the books these days? The relationship between their parents and their children in this book was too much for me. Can I somehow understand Lara and Barry's actions, they're just kids, but their mothers? i was disgusting of their behavior . (view spoiler) [Your daughter tried to kill herself and all you're thinking about is your job? The gives. My fingers angrily pounded the keys. Oh, you're so sweet. :) Lara returns a variety. I seriously want pus. Let me have one turn, Mom says. - I'm staring at him. Come on, get over there. I want to be a Christian for a while. And the worst thing? Their mothers don't even realize that what they're doing is wrong. (Hide Spoiler)] ♦So yes, I am disappointed and disappointed. I make this book almost 3 stars more because of the
