Weekday : Tuesday

Birth on a Tuesday indicates that you show your anger without hesitation. You may enjoy adventurous sports. not mind changing your words or decisions. You have the energy to go after your goals and achieve results.

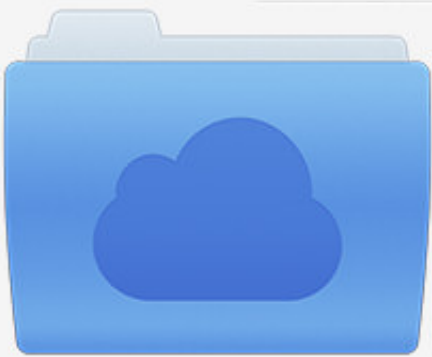

Birth Star : Chithra

You are a man capable of facing any type of problem with courage. Due to your special skills and abilities, it is surprising that your are a bit head-strong. Although you may appear accommodating, you do not believe in or rely on the advice or opinions of anyone, including your spouse. This may be a cause for enmity and opposition within and outside the home. However, those you love must understand that you would do anything for them. Your wife may not be able to understand the depth of your concern for her. You tend to be too independent and since this could be deceptive, you are urged to cultivate the spirit of interdependence.

Thidhi (Lunar Day) : Thritheeya

Since you are born in THRITHEEYA THIDHI, you are generally good-natured, but may appear egotistical to others. You believe in keeping up appearances in all facets of your life. You value family.
