Focus 2020 Game Plan Interview

Welcome to the CET Team!

It is our intention to give you the support, tools and guidance for you to create as much success as you are willing to achieve. Our goal in this interview is to create a clear and obtainable blueprint to begin your journey to success at whatever level you want to achieve.

This Game Plan Interview serves also as a system of accountability for both you and your Team Builder throughout this process. At the end of this Interview, you will walk away with a clear understanding of what is expected of you and what you can expect from your Team Builder.

Success is a Journey and not a destination! The Game Plan Interview step is the most important in starting your business. Regardless of your previous experience, it is imperative that you maintain an open mind and remain teachable and coachable. The system that you are going to learn is proven and although it may seem simple to do, it is simple not to do.

As you move up the ladder of success, the information that you will receive in each additional training course that you qualify for is predicated upon the success you had in the previous trainings. With the introduction of individual training modules you will be able to systematically grow your business.

Congratulations once again for making a decision that can potentially become the start of a legacy for your family and loved ones. Now it’s time to take action and begin your process!

Let’s Begin…………………………………………..
