

LASER TAG

You are invited to Bunker 51, a themed Cold War Nuclear Bunker located a stone's throw from The O2, North Greenwich, Bunker 51 brings laser tag to a whole new level... Below ground level.

You'll be transported to the future where you'll join an elite special force team, receive your mission, gear up with the most technologically advanced equipment, and enter into the adventure of your lives as you battle it out to save the world from imminent nuclear disaster.
