VP Bermuda Insurance Risk

Our client, Global Atlantic is one of the fastest growing companies in the Life and Annuity industry. They are focused on the U.S. retirement and life insurance markets with a broad range of annuities and life insurance options, as well as reinsurance solutions. Their success is driven by competitive, innovative product designs, leading investment management and integrated risk management, along with highly experienced leadership.

Global Atlantic is looking for a diverse team of talented individuals who reinforce their culture of collaboration and innovation. They are dedicated to the career development of their people because they know they are critical to their long-term success. Join their team and come grow with them.

In July 2020, KKR & Co. signed a strategic transaction to acquire Global Atlantic. The transaction is expected to close in early 2021, subject to required regulatory approvals and certain other customary closing conditions.

The **Vice President, Bermuda Insurance Risk** will provide support on use of Bermuda Insurance Solvency Framework for strategic portfolio mix, strategic asset allocation, strategic risk financing, risk-adjusted performance, and technical pricing. Additionally, this role will assist the Bermuda Chief Risk Officer with regulatory filings, Board materials, risk reporting and risk/capital analysis of both the inforce business, as well as new opportunities. The successful applicant will help increase the maturity level around risk processes and will interact heavily with the Finance, Actuarial and Reinsurance teams. This position will partner with the business leadership team to support the front-line in managing risks.

Minimum Qualifications, Skills & Experience:

- Bachelor's degree in a quantitative field required; additional quantitative risk qualification (e.g. CFA, actuarial designation) preferred
- 10 years' experience in risk management with a strong exposure to reinsurance or insurance, at least 5 of which are in a quantitative risk role
- 5 years' experience and knowledge with the Bermuda regulatory landscape as it is applicable to life & annuity companies is preferred
- Demonstrated understanding of the broad spectrum of risks associated with different (re)insurance products
- Understanding of hedging preferred
- Experience creating value through continuous operational improvement
- Strong communication and analytical skills
- Ability to successfully meet deadlines in a fast-paced environment
- Solutions-oriented with high sense of urgency

At Global Atlantic, enjoy a highly competitive compensation and benefits package, with a focus on pay equity and flexibility.
