With great love from players around the world, Snow Bros became a remake and was launched. Optimized in a smartphone environment, everyone can easily enjoy and play. You play the game over 50 stages, defeating about 20 types of monsters. In addition, you can compete with other players in rankings and achievements by purchasing items, clearing stages and raising all kill points. Nwo! Let's create snowballs, defeat monsters and save the princess! 4.1 1.0.2 44 mb 444 3-02-2020, 17:27 No2 -0 SNOW BROS. Classic for Android is a fun arcade game where users have to take control of the snowman. Guide the snowman through the platforms, overcome various obstacles and fight against different enemies. Your main weapon will be snow making snowballs and attacking each enemy with them. Move on, raise your level and try to go through everything that the developers have prepared for you. The graphic component of the project is made in a pixel style. Two-dimensional images consist of beautiful squares painted in different colors. The gameplay is to promote locations. Jump from one platform to another, collect different potions and fight with everyone who meets you on the way, trying not to waste all the spare lives that you will have. Two-dimensional GraphicsPotionsFun gameplaySimple management How to install (update) download the APK file; Allow installation from unknown sources in security settings; Using ES File Explorer or whatever, find the downloaded APK file (usually located in the Download folder) and install it; If you want to update the original version - put on top of the installed application. If you're trying to update the mod, the setup may not work. If this happens, remove the old version of the hack and install the fresh one (there is no guarantee that the gameplay will be saved); You run the app. If mistakes happen, write in the comments, we will be happy to help you.
