DocuSign Impersonation Scam: A DocuSign impersonation scam is currently circulating in Wyoming, with reports from businesses in Laramie and Cheyenne. The scam emails display the DocuSign logo and say something like, "[Name] sent you a document to review and sign," followed by a link. Some messages redirect to Canva and prompt a PDF download that may contain malicious code. This scam appears aimed at stealing contacts and possibly digging deeper for sensitive information.

What to Do If You Clicked

- Run a deep scan with at least two different antivirus programs.
- If unsure how, contact a trusted local IT provider for assistance.
- In the reported case, the individual is even considering completely rebuilding their computer to ensure security.

Even if the email comes from a trusted friend, colleague, or co-worker, do not click any links. Always call to verify directly with the sender.

Blue-FCU Impersonation Text: A Cheyenne resident reported receiving a scam text message from a phone number with a Florida (561) area code. The message falsely claimed to be from "BLUE-FCU," stating that a payment of \$478.41 to "THE MAART LTD" had been attempted from a new device. It instructed the recipient to cancel the transaction by clicking on a link hosted on a suspicious "[alceregoli]" domain. *CyberWyoming Note: Do not click on links or respond to unexpected texts about account activity. Always verify suspicious messages directly with your bank using trusted contact information. Block the sender and report the scam to help protect others.*

CyberWyoming Alliance's goal is for Wyoming to be the most cyber-secure state in the nation. To do this, we know that cybersecurity efforts have to be local, trusted, and grassroots in nature.

If abuse, neglect, abandonment, intimidation or financial exploitation of an older adult is occurring, report it to Adult Protective Services.

Basics of what DFS/APS can do:

- If an abuse/neglect case is reported and opened, an APS Caseworker will respond within 24-72 hours, depending on immediate danger or impending harm.
- APS is mandated by statute to notify law enforcement.
- An APS Caseworker will interview the vulnerable adult to determine the facts of the situation.
- APS works with the vulnerable adult regarding availability of community services he/she is agreeable to receive in order to ensure his/her safety.

Basics of what DFS/APS cannot do:

- APS cannot force anyone to accept help, adults have the right to refuse.
- APS cannot force anyone to reside in a nursing home, APS is committed to keeping vulnerable adults as safe as possible, in their own homes.

How to make a report:

Call (307)777-7564 or click on dfs.wyo.gov/about/contact-us/
This is a link with contact information to each community in Wyoming that has a DFS office. APS abuse/neglect reports can also be made by contacting law enforcement in the community where the abuse is taking place.
