Here's our selection of the best recently published GCSE English language and GCSE English Literature review guides (for all major tips, including ass) for pupils in 10 years and 11 secondary schools. We whittled down suggestions on a one-page basis, based on recommendations from students, KS4 teachers, department heads in the public and independent sectors, tutors and parents with home learning experience. Several publishers and authors dominate the lists - CGP revision guides are easy to follow, accurate and accessible. They also work well for parents who want to help. Mr. Bruff's guides are very thorough and ideal in addition to existing student notes from English lessons, Connell's guides are useful as extensions to push more capable, and William Lloydson's Kindle/Audiobooks are great for students who can't wait for GCSEs to finish.
