Join us here and allow us the opportunity to complete your limits of fun fishing, fishing Lake Minnetonka, Minnesota and Erickson Services Guide it is the only way to go. We will pick up you at the Lord Fletcher's Restaurant & MAP Boat Guide is a 21 foot Lund Pro and Kurt Erickson at the wheel as your guide. The lund fishing boat is safe, wide and comfortable. You are fully sure for charter fishing with the ship equipped with all USCG approved safety equipment and a cell phone. We provide vintage top quality & accessories real, lure and live stream satisfy any presentation needs whether trolling, jigging, or distributing. If you have your own equipment and would rather use it you certainly can. Also feature is an underwater camera to see fish up close and personal and see the rain you only thought you knew! Winter fishing is just around to fold the passage in Lake Minnetonka. If you're looking for Minnesota for great, early spring excitement fishing that's kissing in Canada, you've found it. And it will happen all around you... that is if you're willing to brave a little showers. Ice spring out is one of the most quiet and most productive fishing times throughout the fishing season. Why, you ask? To begin with, there are no crowd and there are certainly no bugs. Besides the ice fishing season, fishing lake Minnetonka in the spring is quiet and peaceful. Your new enthusiasm growth. Trees are bud, forest plants are buds and criteria and water are easily and often identified. Spring is a renewed time, a renewed spirit and a good time to read out of the gates watching it unlock Early Spring Lake Minnetonka Fish What's for Fish for? Primarily crap and fish panes. Spring is an ideal time to practice your distribution and fish peach maneuvers for bluegill. It will be these great ones you come back. Water attempts are flying, the vegetation of the lak is only beginning to merge and water levels are high. You'll have the deep fish- which is until water starts reaching 60 degrees. Ice fishing tactics work best. However, after a heavy, wet spring rain you can ensure glass, sparkling and night madness will make yummy for bonus-sized bluegills and black copies. If you can get away from early spring, by all means try it... you will be hooked lined with colors for good. Having your Secret Erickson Guide service today, you earned it.
