Why work at Wysa?

At Wysa, we do things a bit differently. You won't find us stuck in the same old corporate loops of old-fashioned hierarchy and mindless monotony. Instead, you'll find us in the cyberspace (we're a remote company) revolutionizing traditional mental healthcare and creating the world’s most advanced conversational AI for behavioral health, all while wearing a party hat via Zoom filter!
- Wysa is expanding its footprint across the world, and fast. You will play a high-impact role here!
- Get first-hand exposure to a global team
- Work with the Industry leaders as the founders and senior team members are from IITs, IIMs, London School of Business and have held top positions across Goldman Sachs, Pearson, Microsoft leading cross functional global teams
- We offer flexible work hours and a culture where you are more than just your job designation.
- We work hard, but we rest and avoid burnout at all costs. Expect a range of employee benefits and much more!

In Their Own Words

“The most noteworthy thing I get from Wysa is 'learning' and skill set development. Through Wysa, I am able to improve my thought process as we implement a wide range of applications. I get a good exposure to the whole product and it gives me a kind of completeness. I am also able to explore things on a much deeper level which helps me to enhance my productivity. Also, the team is very welcoming in accepting any new initiatives.”

- Rakesh Makam, Lead Backend Developer
