Bayliner capri service manual

If you're reading free preview pages 6-9, you're not in this preview. If you're reading free preview pages 13-21, you're not in this preview. I have a '91 Bayliner Capri 20' with 4.3L Merck/Merck I/O. Does anyone have a manual for it!!!? I bought a boat a few months ago from the guy who replaced the alternator, put a new head on it and replaced the water pump. It sounds to me like it overheated. It works well, but my gimbal bearing is howl. I've heard that there might be a grease port for it, but I don't know where it is. In addition, fuel gauges and hydraulic gauges work, but tach, alternators, temps or horns do not. It looks like someone did some wire splicing, but as a technician I won't tear into the wire without schematics. speedo works kinda, but the hose fell out drive, so I'm trying to find a way to re-secure it - there's a tight party. Another problem I have is that it sounds like it's pushing rpm up, it has 14 1/2 x 19 props and I'm doing a solid 35mph. I've seen some posts about timing adjustments, but it's make a big difference. And finally... Belt. Currently, I have two belts. One is from the crankshaft to the Alternator and the other is from the water pump to the power steering pump. I would think it's okay, but in order to change the belt from the power steering pump to the water pump, there is not enough clearance and crankshaft pulley in the meantime, so you need to remove the water pump pulley. Beautiful boat, decent price .but a lot of work!!! Thank you, Jake Re. Does anyone have a manual for 91 Bayliner Capri 20' thank you very much!!! I did a lot of searches on this boat and can't find much. Primitive 80s and late 90s models.that good boat definitely sold my '83 Sherey Sebili Akadi cabin using 2.5l Merck to buy this, do not like bow lift, but I still lost some storage, need to install hydro wings to help, but it's worth making up in performance!!! Here is a picture. I would love to show off any ideas I can get a factory gauge in case I'm bad? Re: Does anyone have a manual to look at ebay for 91 Bay Liner Capri 20' gauge? I threw away so many sets with strip junkers that I bought. I can't give them. This is what I did in the last set I had. Re: Does anyone have a manual for tips on how to figure out if 91 Bay Liner Capri 20' is gen 1 or 2?Oil dipstick, gen 2. but I would certainly like to know. The number on the drive is 184r and s/n is 0D565184, but the transom shows 0d570355. Is it typical to have such a different number? Re: Does anyone have a manual for 91 Bay Liner Capri 20'Alfeus or do you have a thread for that gauge setup? Re: Does anyone have a manual for tips on how to figure out if 91 Bay Liner Capri 20' is gen 1 or 2?gen2 has a speed pickup on the lower unit and the bolt from the bottom has an external nut that I also like the 91-on-capri line, but I'm biased. The owner's manual for this Bayliner is 1996, but the wiring of dashes and helms must basically be the same as yours. Re: Does anyone have a manual to pull the plastic cap of the 91 Bay Liner Capri 20' trim cylinder? But I just checked your serial number and you have Gen II. Both of my 91s had GEN II, but you never know.Alpheus, do you have a thread for that gauge setup? Just read the wiring diagram. As I said, Mercruiser is all color-colored and the figure is really easy to follow. The wind on your face. Exhilaration that you feel the throttle through the hole. The Bayliner is more than just a boat. It's freedom, family, and unrivalled fun. Whether it's a boat for water sports, a stable platform for fishing, or an open bow boat for a weekend cruise, there's no better choice than a bay liner. Experience the reliability of your trusted brand and the accessibility of your affordable boat line-up. Above all, experience the sense of unity and satisfaction that Bayliner brings. Charting courses through innovation Bayliner Owners Club is a gathering place for Bayliner owners and future owners. No matter what size or model of Bay Liner boat you have or are thinking about, we have members here who will have the same model and enjoy discussing it in a friendly and welcoming environment. Please support our site Bayliner Owners Club and decades of its saved boat information are funded by you, people to visit here. This fund is made from a member's donation or by clicking on an ad. Joining the BOC is easy and free. If you want to join, you can choose not to post and show ads or not. Thank you for visiting Bayliner Owners Club! Thanks!!!! Work...
