

# WORKSHOPS

Do you feel like experimenting with the art of jewellery making? In my **S.TUDIO** in La Bisbal d'Empordà (near Girona) I offer you the opportunity to get to know this beautiful craft! There are several options:

- **Trimestral Course: Basic Jewellery making**

(Trimestral course, 3.5 h per week) price €350

In this course we will work on the different techniques of basic jewellery making. You will learn to make your own designs in metal. By coming each week this course gives you the opportunity to gradually acquire the skills to work more independently. You will learn to solder, saw, file, sand, form, polish and finish your pieces. With a maximum number of three students personalized attention is guaranteed. It is not necessary to have previous knowledge. The day of the week and the schedule may vary per trimester (contact for current information)

**Includes:** The use of tools, machines, chemicals and other necessary materials.

**Does not include:** silver or (semi-precious) stones. I can help you get the materials you need.

- **Workshop: Introduction to jewellery making**

(Day and time to be agreed, duration of 3.5 hours) price € 90

In a few hours we will make a silver jewel completely designed and made by you! I will guide you throughout the process, with a lot of personal attention. You will go through the whole process of making a jewel, from beginning to end. (This intensive workshop is also a prerequisite if you want to follow the 'loose hours' option in the workshop later).

**Includes:** A sufficient amount of silver to make your jewel. The use of tools, machines, chemicals and other necessary materials.

- **Workshop: Texturized Ring**

(Day and time to be agreed, duration of 1.5 h) price € 50

We will make a simple silver ring for you with texture obtained by hammering or through other workshop tools. This workshop is an ideal gift for someone creative!

**Includes:** A sufficient amount of silver to make your ring. The use of tools, machines, chemicals and other necessary materials.

- **Loose hours**

(Day and hours to be agreed, minimum 3 hours at a time) € 15 per hour

Loose hours (minimum of 3 hours at a time) use of tools and machines and guidance. In order to work with this format, you first need to have done a minimum of the "*Workshop: Introduction to jewellery making*" or have previous experience in another jewelry workshop.

**Includes:** The use of tools, machines, chemicals and other necessary materials. He used space and a small drawer to store things.

**Does not include:** silver or (semi-precious) stones. I can help you get the materials you need.

- **Custom Workshops**

Custom workshops, for groups or individuals, get in touch to tell me your specific ideas.

Flexibility, an open environment and a lot of freedom to experiment! The workshops can be taught in English, Spanish, Catalan, Dutch and French. Do not hesitate to contact me with your questions. I would love to talk to you!
