When it comes to collecting extra items and mini-games, there are special bombs and levers that need to be activated by flipping switches to finish the level. When you get onto a new area, try to take note of every little thing and the order in which you can do it. If you can figure out how to do everything with a minimum of effort, then you will save time and will have less stress, thus having a smoother journey. Discount Discounts are a useful tool for buying certain items. There are various items to be found at the various levels, ranging from such items as food, drinks, and tokens to many more useful items. Discounts can be bought at almost any shop on the map. When buying these items, don't just purchase the one and only item in the game. Discounts can vary in size, so make sure you check their size when deciding what to buy. It is possible to save them for later, but do note that they will not stack unless you use the same items to do so. Don't buy only one item, as doing so will not lead to any savings. Just purchase items in bulk and use your discounts. You may want to buy drinks, as most of them can be used to change the colour of the item in your backpack. This is a great way to reduce the size of your backpack. Saving money will help you get to the bonus levels. If you want to buy a lot of items, purchase food and drinks as you go through the level. It is possible to buy as much as you can at some levels, and you may end up with extra money, but it is important to keep in mind that these items cannot be used to purchase discounts. This can be a useful tool when it comes to getting to certain levels, since extra lives will be given to you when you enter the level. Tokens Tokens are needed to purchase certain items in the shop. Tokens can be bought at level 7, level 4, and some levels in between. When you enter the shop, you can see a list of all the shops that sell tokens and which level you need to enter to buy them. Once you have tokens, you can purchase items such as extra lives and energy cells at the shop. If you don't have enough energy to get to the next level, or if you need an extra life, purchasing them can be a good choice. Most shopkeepers have two kinds of shop - a 520fdb1ae7
