Concerning all persons or entities:

WARNING:

This document, or an embodiment of it in any media, discloses information which is proprietary, is the property of SIKORSKY AIRCRAFT CORPORATION and/or its subsidiaries, is an unpublished work protected under applicable copyright laws, and is delivered on the express condition that it is not to be used, disclosed, reproduced, in whole or in part (including reproduction as a derivative work), or used for manufacture for anyone other than SIKORSKY AIRCRAFT CORPORATION and/or its subsidiaries without its written consent, and that no right is granted to disclose or so use any information contained herein. All rights reserved. Any act in violation of applicable law may result in civil and criminal penalties.

EXPORT WARNING:

These commodities, technical data or software are subject to the export control of either the International Traffic in Arms Regulations (ITAR) or the Export Administration Regulations (EAR) and cannot be exported without the prior written authorization of either the Department of State or the Department of Commerce. The term "Export" includes any disclosure and/or provision of access to commodities, technical data or software to or by foreign nationals (whether located in the United States or Abroad). This requirement also applies to foreign national employees of U.S. Companies and their foreign subsidiaries.
