

# 2016 IN REVIEW

## Refugees, Veterans, Impoverished life.....New life

### AiMIN's Project 5PP

#### FIRST YEAR SUCCESS

#### 5Pp in town:

AiMIN's acupuncture ministry, Project 5PP, launched the first ever free Veteran clinics in Haywood County, NC this summer. We have provided over 150 free treatments for those suffering from PTSD, flashbacks, insomnia, anger and anxiety. *'I no longer have panic attacks' 'I can think more clearly' 'I have my appetite back' 'My husband no longer has angry outbursts'*. WOW! Watch our first patient as he talks about his amazing improvement after 1 treatment!

#### 5pp in Haywood County!

Local trauma center Mission Hospital contacted us when they needed urgent Critical Incident Stress Management support for overwhelming disasters affecting our community. **Your funds allowed AiMIN to respond in a day to begin providing free clinics** using the Five Point Protocol [5pp] acupuncture treatments for first responders in 3 counties.

AiMIN CEO Dr Lisa witnesses freedom in the Aegean as refugees are rescued

### AiMIN Responds Emergently to Help Care for Boat Refugees

**THANK YOU!** Your prayers and financial support at a moment's notice allowed AiMIN to take a strike team to Lesvos, Greece where the worst humanitarian crisis in history was unfolding. **As thousands of refugees travelled 40 days to flee their homes, then cross the Aegean Sea in death boats... YOU were there.** Joining forces with Boat Refugee Foundation, your donations provided medical supplies and emergency blankets, health care for refugees, training drills, and stress relief for long-term volunteers through AiMIN's acupuncture ministry.

Scanning the Aegean for refugees. Turkey in the distance.

## 5PP in Western NC

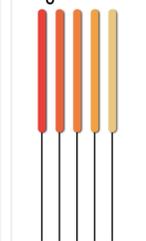

NEW ACUPUNCTURE TEAM in the Mountain Region Medical Reserve Corp! Thanks to Project5PP, our regional disaster response now includes acupuncture for emotional trauma. We actively seeking volunteers to join this region of the nation with the

medical  
reserve  
corps

## 5PP across the state

Project 5PP

Relief, finally

With your generosity, AiMIN is able to fund Project 5PPs efforts to promote auricular acupuncture to address the overwhelming substance abuse and addictions epidemic that is destroying the

lives of our youth. We are working to increase the access to this non-pharmacologic option for cravings, anxiety, withdrawals, stress, insomnia and more. Visit us at [project5pp.strikingly.com](http://project5pp.strikingly.com) for all the ways in which this protocol can increase success in recovery. Relief, finally.

CEO Dr Lisa in clinic, Turkana, Kenya

## New healthcare for Turkana

*"How beautiful are the feet of those who bring good news!"*

Romans 10:14-15

Partnering with local Bread of Life Africa, AiMIN took an exploratory team to northern Kenya in fall 2016. Thanks our generous donors and prayer warriors, we witnessed and demonstrated Christ's love to hundreds, brought over 30 souls to Christ, medically served over 400, gave out over 1400 prescriptions, provided over 12 hours of basic disease prevention educational lectures/supplies and left hundreds of dollars in medications for the local Ministry of Health [MOH] As a result of our sustainable initiatives, the MOH now recognize the need in these villages and have pledged to begin supporting them! AiMIN continues to support remote villages with online consultation. Join us in 2017 as we return to build on the infrastructure and work towards community resiliency.

## Annual Christmas 'Pay it Forward' Campaign

In 2015, AiMIN was pleased to help Ms Marshall to have a place to live. After struggling financially with a devastating illness, Ms Marshall was threatened with eviction on Christmas Eve. But through AiMIN's Pay it Forward campaign, she was able to keep her home for a few more months while she got back on her feet. She is still there a year later! For 2016, \$500 is waiting for worthy causes so email a brief essay explaining your nominee's crisis need that we can serve [individual or organization].

Lisa Flora, MD- CEO AiMIN

## YES! I want to help AiMIN!

Please consider AiMIN in your year end giving.

What better way to help a wide variety of people from the Veterans who served us but suffer from their trauma, to impoverished peoples of the world who have never heard of Christ, to our youth who are suffering from addictions and overdose. **AiMIN addresses crises**, wherever they occur in the world and whether it is a crisis of humanity or of faith.
