A new feature called Tier 1 Mode has been added to Ghost Recon Wildlands as an incentive for advanced players to continue their progression beyond the max level cap. Tier 1 Mode gives players the flexibility to challenge themselves while earning new rewards in Ghost Recon Wildlands. This guide will explain how to enable Tier 1 Mode and what this new mode has to offer. How to activate Tier 1 Mode in Ghost Recon Wildland's Tier 1 Mode is only available to dedicated players who have reached max Level 30 in Ghost Recon Wildlands. Once you've reached Level 30, players can activate Tier 1 Mode by entering the menu and selecting the Level 1 tab along the top bar. When you activate Tier One Mode, you start at Tier 50 and have to work your way down to Tier 1. Instead of XP, players accumulate Tier Points used to activate the next level. Levels also provide additional Supply and Tier Points Bonus multipliers to help you get through the ranks faster. If you want to meet up with friends of another Tier level, don't worry. The Tier system will calculate the average severity of the levels in your team to balance mission AI and maintain a level playing field to suit everyone's skill level. Tier Rewards Players will earn rewards for each level level they activate. Starting with Tier 50, players are awarded new garments or weapons every five levels (tiers 50, 45, 40, etc.), with Supply Packs awarded for each level level between. If you reach a level that you think is the right level of difficulty for you, you can simply postpone the activation of the next level. But if you don't go through the levels, it means you're missing out on some useful rewards. If you don't own the Division, however, wish you could get your hands on the LVOA-C Bad news rifle in Ghost Recon Wildlands, then Tier 1 Mode is for you. This exclusive rifle is available as a Tier Reward to reach Tier 5. Weapon upgrade gameplay becomes increasingly difficult as you progress through the levels, so you'll need some powerful guns to help you get through each challenge. As such, all weapons in Ghost Recon Wildlands can now be upgraded to maintain their viability. Upgrades require different amounts of supplies and resources. Weapons can now be leveled up to increase their damage and make some of the best weapons, like BFG-50A or HTI sniper rifles, even more powerful. Weapon upgrades can also allow you to improve weapons that weren't necessarily viable before. BenjoRippin gives a great overview of what the new Tier 1 Mode contains in Ghost Recon Wildlands, including details on specific Tier reward weapons and apparel. Check out his video below for more information about the new Tier system if missed something here. While Tier 1 Mode adds a challenging twist to the usual missions of Ghost Recon Wildlands, providing who may have finished the game a nice incentive to come back. Since the condition is still new, it doesn't look like any players have reached Tier 1 yet. Once they do, we will be sure to update this guide with Wildlands Tier 1 reward details. For those wondering, there are still no words about whether the highly sought after PvP mode will be added to Ghost Recon Wildlands anytime soon, but we'll be sure to update you as soon as we find out more. Let us know in the comments below what Tier you've reached in Ghost Recon Wildlands so far and what weapon you chose to upgrade first. After more tips and tricks? Learn how to get ACR in Ghost Recon Wildland's Guide Cutting Edge Ghost Recon Wildlands Tank War Room Load Comments Ghost Recon: Wildland's new Tier 1 mode defined - right here are ways to get into it, ways to get XP fast, and what you get in your bet. Tom Clancy's Ghost Recon: Wildland's Section 5 update introduced the tricky new Tier 1 game mode with it. If you question what the heck it is and why it's worth your time, you're in the right place. How to activate Tier 1 Mode Tier 1 is a brand new mode for Ghost Recon: Wildlands gamers who are prepared for extra of a problem. It is available once you have maxed out your character to the extent cap at 30. You can activate it by using the in-game menu on the Tier One tab. Starting on Tier 50, working with current content material like missions and challenges that may prove increasingly tougher, and hit the Extreme problem on Tier 35 until you reach Tier 1. You can enable and disable Tier 1 mode when the flamboyant takes you and your progress can be saved. Well Tier 1 is not the essential purpose, but it is most likely what most of you can aim for. Bear in mind, for those who choose to remain put on a selected level, every time you complete a mission or problem at this stage, the achievable Tier Points for the precise exercise will cut down with each playthrough. Mission Tier Points are reset with each new level. Tier 1 Mode co-op AI in Wildlands is a good distance from being good, so you'll be glad to know that you'd be able to play Tier 1 Mode in the co-op with a troupe made of flesh-and-blood people. The question phase can be calculated as an average throughout the squad and balanced correctly. It doesn't matter if not all players have enabled mode both. Tier 1 Mode rewards instead of XP, earns Tier Points and gives, and rewards in the form of weapons and accessories. Level points are awarded for all actions you normally want to earn XP for and are used to free up levels. Each level – from 49 onwards – has multipliers to give bonuses and tier points that will help you get there a little faster. Every 5 Tiers you get under Belt will bag you a weapon or accent. Den Den of the levels you offer deliver packages. Here's the entire record of Tier 1 Mode rewards, Except Supply Packages: Tier 49: Jaws Bandana Tier 45: Wingnut Helmet Tier 40: Desert Tech HTI BDC Sniper Rifle Tier 35: Red Shemagh Tier 30: Old Glory Tattoo (proper arm) Tier 25: Galea Facial Paint Tier 20: Wolf Skin Weapon Paint Tier 15: Operator Bandana Tier 10: 1percenter Tattoo (left arm) Tier 5 : LVOA-C Bad News Assault Rifle Tier 1: Grey Python Weapon Paint Recommended weapon upgrades If you question what use provides have for a maxed out character and ability tree, in Tier 1 Mode you will be able to improve weapon utilizing sources, growing their damage in terms of 30 completely different ranges. You don't have to rely entirely on in-game exercise for sources both. You can also collect giving in the form of Live Season Challenges and the free companion app, Guerrilla Mode. It's a tough experience to fight against your approach to Tier 1, so there's not much benefit from spreading sources out among a variety of weapons. Of course, it is best to use what you feel comfy with, but investing in a few important weapons is advisable. Tier 40's Desert Tech sniper rifle is an effective one to save lots of your sources for. It can a shot autos which are able to get in useful when you are on mission running for Tier Points. You also need to decide an assault rifle as you simply take pleasure in exploiting and ploughing some sources into it. You can try our Ghost Recon: Wildlands assault rifle guide for those who can't fairly make up your minds. Best missions for fast XP in Tier 1 Mode When it involves incomes Tier Points, specializing in missions with the main 'XP' that can be on a simply accessible route is essential. You don't want to waste time faffing about. Look for close by fast travel factors and farming alternatives rather than reinforcements spawn. Places that may be populated with enemies are nice to sneak under the chimney in the evening for additional factors from creeping take-downs. There are no level replaying missions in each of the levels due to Tier Points will be halved with each subsequent wagering. With that mentioned, listed here are some strategies for missions so you can sort out which can be hugely fast and can web you a load of Tier Points. The developers of cooperative shooter Tom Clancy's Ghost Recon Wildlands believe that many people crave more and more serious tests, and also want to play at the highest difficulty level in tough conditions without the right to make a mistake. And thanks to the update, which has already been released on PC, PS4 and Xbox One, for such daredevils was introduced a new mode - Tier 1. The new system is designed specifically for the most experienced players, ready for even more difficult tests than was available in the game. Level 1 can be activated when the character reaches the 30 level (maximum). Then, the spoken experience of completing the tasks and completing the tests allows you to raise the rating. At each new level of order, more effort will be needed. Opponents will be even more vigilant and persistent, and their attacks are even more dangerous. During the game, you will be able to increase your difficulty level from Tier 50 to Tier 1 (or if you want to set the current rating to play in optimal conditions). Moreover, given that complexity is increasing, you will be able to improve With resources, you will be able to modify weapons to remain effective in battle against gaining strength opponents. These resources are available in the game, as well as the free Ghost Recon H's companion app in Guerilla mode. (c) GoHa.Ru GoHa.Ru
