[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Chorus]

They do what they wanna do, say what they wanna
say

Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and they slap a
friend

The Addams Family

They do what they wanna do, say what they wanna
say

Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and they slap a
friend

The Addams Family

[Verse 1]

Now I was cold coolin', you know (maxin' and relaxin')
Just kickin' it around the house (Oaktown kicking' it)
When a knock, a knock, a knock and a voice yo!

Can Hammer come out? (what's up?)
Now I don't mind (mind) being a friend
And showin' a little bit of flava (flava)
But Wednesday, Pugsley, Gomez, Fester (oh man)
Man, them some strange neighbours

[Chorus]

They do what they wanna do, say what they wanna
say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and they slap a
friend

The Addams Family

They do what they wanna do, say what they wanna
say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and they slap a
friend

The Addams Family

[Verse 2]

I remember the day I needed to borrow
A little of pepper (for my chicken)
The next thing you know, comin' at me

Was a hand with the fingers **high** steppin' (I ain't with that)

Now I tried to play it along (you know)

And act like I was havin' a ball (ha ha)

But what do I see (yo) a perm with feet (Cousin It)

Standin' about three feet tall (I'm outta here)

[Chorus]

They do what they wanna do, say what they wanna say

Live how they wanna live, play how they wanna play

Dance how they wanna dance, kick and they slap a friend

The Addams Family

They do what they wanna do, say what they wanna say

Live how they wanna live, play how they wanna play

Dance how they wanna dance, kick and they slap a friend

The Addams Family

[Verse 3]

Speakin' and thinkin' about the Addams

You know the Hammer is with it (I'm with it)

Act A Fool, No Bones, Swoop, Goofy, and Randy
You know we kick it (the posse)
Now is the time to get in your mind
It's ok to be yourself (be yourself)
Take foolish pride and put it aside
Like the Addams, yo! They def (that's a family!)

[Chorus]

They do what they wanna do, say what they wanna
say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and they slap a
friend
The Addams Family

They do what they wanna do, say what they wanna
say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and they slap a
friend
The Addams Family

The Addams Family

[Verse 6]

Cousin It got in the flow

And he got to wibblin' and wobblin'

And he did this cool new turn move he had

Everybody backed up, you know what I'm saying

He backed them up

[Bridge]

Addams (Too legit)

Addams (Too legit)

Addams (I'm talking about the Addams)
The Addams Family

[Outro]

You know what I'm saying
Now I'm talking about the Addams
Speaking and thinking about the Addams Family
They don't hurt anyone
They just like to have fun
