

Frank Sinatra - Witchcraft

[Verse]

Those fingers in my hair
That sly come-hither stare
That **strips** my conscience bare
It's witchcraft
And I've got no defense for it
The heat is too intense for it
What good would common sense for it do?

[Chorus 1]

'Cause it's witchcraft, wicked witchcraft
And although I know it's strictly taboo
When you arouse the need in me
My heart says "Yes, indeed" in me
"Proceed with what you're leadin' me to"

[Post-Chorus 1]

It's such an ancient pitch
But one I wouldn't switch

'Cause there's no nicer witch than you

[Chorus 2]

'Cause it's witchcraft, that crazy witchcraft
And although I know it's strictly taboo
When you arouse the need in me
My heart says "Yes, indeed" in me
"Proceed with what you're leadin' me to"

[Post-Chorus 2]

It's such an ancient pitch
But one that I'd never switch
'Cause there's no nicer witch than you
