

PENTON INDUSTRIES, LLC

Chemicals | Oil, Gas & Marine Supply | Safety & Fall Protection | Rope & Rigging | Fuels & Lubricants

STATEMENT OF CAPABILITIES

COMPANY OVERVIEW

Penton Industries is a New Orleans-based manufacturer and distributor serving oil & gas, marine, construction, and many other industries across the United States. For more than 50 years we have supplied everything from Fortune 500 operators to family-run businesses, and we have built our reputation on formulation expertise, product availability and responsive service.

We operate as a single-source supplier. In addition to the chemicals we manufacture and blend ourselves, we supply the full range of consumables, MRO, safety, welding, gas, marine and lubricant products our customers need to run their facilities and vessels — under one account, one point of contact and one invoice.

CORE CAPABILITIES

Capability	What This Means for You
Chemical Manufacturing	In-house blending and packaging of industrial & janitorial chemicals from quart bottles to gallon jugs, 5-gallon pails, 55-gallon drums, totes and bulk.
Custom Formulation	Our laboratory tests and formulates to your specification when an off-the-shelf product will not perform.
Private Label	Products packaged and labeled under your own brand, with documentation and SDS support.
Oil & Gas MRO Supply	Abrasives, tools, hardware, electrical, hydraulics, material handling, lubrication and general consumables.
Welding & Industrial Gas	Filler metals, electrodes, welding equipment and consumables; industrial, medical, specialty and bulk gases; cylinder and gas equipment.
Marine & Ship Chandlery	Deck, engine room, galley, navigation and life-saving equipment; rope and custom rigging; sorbents and spill response.
Marine Lubricants	Full marine lubricant program — cylinder, system, trunk piston, hydraulic, gear, compressor, refrigeration and EAL/VGP-compliant lines.
Safety & PPE	Head-to-toe protection: gloves, eyewear, respiratory, gas detection, protective apparel, rainwear and hi-vis.
Fall Protection	Complete fall protection line — anchorage, harnesses, lanyards, self-retracting lifelines, guardrail, confined space and kits.
Rope, Cordage & Rigging	One of the broadest rope lines available, plus an in-house splicing shop for custom assemblies, slings and mooring tails.

Capability	What This Means for You
Rigging Hardware	Wire rope, fittings, swaging tools, shackles, turnbuckles, slings, blocks and cable suspension systems.
Climbing & Rescue Gear	Positioning lanyards, carabiners, descenders, pulleys and arborist gear for tower, utility, tree and rope access work.
Fuels & Fluids	Diesel, gasoline, DEF, glycols, methanol, coolants, greases and subsea control fluids in drums, totes and bulk.
Packaging & Consumables	Tape, stretch film, strapping and tools, tarps, containers, fasteners and jobsite consumables.
Program Support	Vendor-managed inventory, stocking programs, cylinder tracking, equipment rental and repair, and safety training.

PRODUCT CATEGORIES SUPPLIED

The following summarizes the categories we supply. A detailed line sheet accompanies this document.

Chemicals — Manufactured & Blended by Penton

Acids & Rust Treatment	Bathroom Cleaners	Carpet Care
Citrus Products & Solvents	Coil Cleaners	Cleaners & Degreasers (Butyl / Non-Butyl)
Coolants & Heat Transfer Fluids	Corrosion & Scale Inhibitors	Defoamers
Deodorant Cleaners & Concentrates	Disinfectants & Sanitizers	Drain Openers
Dust Control	Enzymatic Cleaners	Floor Finishes, Sealers & Strippers
Food Service & Dishwash	Glass Cleaners	Hand, Hair & Body
Kitchen & Oven / Grill Cleaners	Laundry Products	Lubricants
Marine Cleaners & Degreasers	TEG / Dehydration Desiccants	Tire, Rim & Transportation Cleaners

Oil & Gas, MRO & Welding

Abrasives	Adhesives & Tape	Batteries
Electrical	Filler Metal	Gas Equipment
Industrial & Specialty Gases	Hand Tools	Hardware
Hydraulics & Pneumatics	Instruments	Janitorial
Lighting	Lubrication	Machining
Material Handling	Painting Supplies	Power Tools
Pipe & Fittings	Motors & Repair	Vehicle Maintenance
Welding Equipment	Welding Consumables	Shop & Facility Supplies

Marine Lubricants

Cylinder Oils	System Oils	Trunk Piston Engine Oils
High-Speed Diesel Engine Oils	Medium-Speed Engine Oils	CNG / LNG & Dual-Fuel Oils
Hydraulic Oils	Gear & Circulating Oils	Open Gear & Wire Rope Lubricants
Air Compressor Oils	Refrigeration Compressor Oils	Stern Tube Oils
Marine Greases	Coolants & Antifreeze	Bio Lubricants & Greases (EAL)
VGP-Compliant Lubricants	Lubricant Analysis Programs	ECA-Compliant Marine Fuels

Marine & Rigging

Deck & Engine Room Supplies	Navigation Lights	Marine Electronics
Communications / Radios	Life-Saving & Flotation	Gangways & Ladders
Valves & Marine Hardware	Tankerman Outfitting	Custom Mattresses
Galley Supplies	Filters	Signal Flags & Markers

Rope, Cordage & Rigging

3-Strand Polypropylene	3-Strand Nylon	3-Strand Poly Dacron
Manila & Sisal	Hollow Braid Polypro	Solid Braid
Double Braid Nylon	8-Braid Nylon	12-Strand / Dyneema / HMPE
Mega Rope	Mooring Lines & Tails	Kernmantle Static Rope
Cotton Rope & Sash Cord	Bungee Cord	Pull Tape
16-Strand & 24-Strand	Bull Rope & Rigging Line	Rescue Rope
Chafe Gear	Twine & Webbing	Custom Splicing & Fabrication

Rigging Hardware & Wire Rope

Steel & Stainless Wire Rope	Wire Rope Clips	Thimbles
Swage & Stop Sleeves	Swagers & Cutters	Shackles
Turnbuckles	Eye Bolts & Eye Nuts	Quick & Delta Links
Snap Hooks & Stainless Rings	Rigging Hooks & Master Links	Slings
Pulleys, Sheaves & Blocks	Cable Suspension Systems	Cable Railing

Climbing, Arborist & Rescue

Positioning Lanyards	Fliplines	Climbing Carabiners
Rebar, Scaffold & Ladder Hooks	Descenders	Swivels & Connectors
Pulleys & Fiddle Blocks	Friction Savers	Tree Anchoring
Chainsaw Lanyards	Tool Drop Prevention	Safety Straps

Fuels & Fluids

On-Road Diesel	Off-Road Diesel	Gasoline & E10
Diesel Exhaust Fluid (DEF)	Glycols (TEG / DEG / EG)	Methanol
Antifreeze & Coolants	Industrial & Automotive Lubricants	Greases
PAG Fluids	Biodegradable / EAL Fluids	Private Label Lubricants
Subsea Production Control Fluids	Blowout Preventer Fluids	Fuel & Lube Equipment

Safety & PPE

Head Protection	Eye & Face Protection	Cut & Impact Gloves
Leather, Cotton & PVC Gloves	Welder Gloves	Respiratory Protection
Gas Detection	Coveralls	Chemical Suits
Hydroblasting Gear	Rainwear	FR Clothing
Hi-Vis Vests & Apparel	PVC & Rubber Boots	Hand Cleaner & Sanitizer
Heat Stress & Hydration	Signage, Markers & Flags	Safety Fencing & Netting
Sorbents & Spill Kits	Fire Extinguishers	Miscellaneous Safety

Fall Protection

Concrete Anchorage	Steel Anchorage	Roof Anchorage
Multi-Purpose Anchors	Horizontal Lifelines	Full Body Harnesses
Specialty & Derrick Harnesses	Shock Absorbing Lanyards	Positioning & Restraint
Self-Retracting Lifelines	Leading Edge SRLs	Rope Grabs & Vertical Lifelines
Carabiners & Connectors	Confined Space Equipment	Guardrail Systems
Roofer's Kits & Storage	Tool Lanyards	Harness Accessories

Packaging, Consumables & Access

Adhesive Tape	Barrier & Marking Tape	Stretch Film
Strapping & Seals	Banding Tools & Carts	Tarps
Buckets, Lids & Drums	Tie Wire	Nails
Rubber Bands	Painting Accessories	Aluminum & Fiberglass Ladders
Scaffolding Planks & Platforms

MARKETS SERVED

Market	Application Focus
Oil & Gas	Deepwater, offshore and onshore operations; drilling rigs, pipelines, field engine compressors, line heaters, gas plants, dehydration systems and subsea control fluids.
Marine	Inland and offshore vessels; ship chandlery, deck and engine room maintenance, rigging, life-saving equipment and vessel cleaning chemistry.
Vessel Operators	Deep draft and non-deep draft vessels, tugs, towboats, barges, OSVs, harbor craft and ferries; lubricants, chemicals, chandlery and consumables.
Manufacturing & Plant Operations	Plant MRO, equipment and machinery maintenance, welding and fabrication, parts washing and facility housekeeping.
Construction	Fall protection, rope and rigging, ladders and scaffold plank, jobsite consumables, abrasives, safety and PPE.
Data Centers	Heat transfer fluids engineered for DECS loops — technical cooling, primary and secondary loop, CDU and direct-to-chip architectures.
Healthcare	EPA-registered disinfectants, sanitizers and janitorial programs for clinical environments.
Hospitality & Food Service	Hotels, restaurants and institutional kitchens; warewash, degreasing, floor care and odor control.

SERVICES & PROGRAM SUPPORT

- **Custom Chemistry.** Formulation and product development to customer specification, with laboratory testing and performance validation.
- **Single-Source Supply.** Consolidate chemicals, MRO, welding, gas, safety and marine consumables onto a single account and a single invoice.
- **Inventory Programs.** Vendor-managed inventory, stocking of customer-specific items and scheduled replenishment to reduce stockouts and carrying cost.
- **Delivery.** Routine scheduled delivery, small package and expedited hotshot service for urgent requirements.
- **Equipment & Cylinders.** Equipment rental and repair, and cylinder tracking and management.
- **Rope Fabrication.** In-house splicing shop for custom rope assemblies, slings, mooring tails and made-to-order fabrication, with inspection and testing support.
- **Safety & Compliance.** SDS documentation, product training and application support for your crews and facilities.
- **Private Label.** Products packaged and labeled under your brand.

MANUFACTURER RELATIONSHIPS

Penton manufactures its own chemical lines and represents leading national manufacturers, including Dow, Shell Chemicals and ExxonMobil Chemical. We are a distributor of the Dow Norkool and Ambitrol families of industrial coolants, heat transfer fluids, corrosion inhibitors and dehydration desiccants (TEG), and we supply DOWFROST and JEFFCOOL ISF series fluids for data center cooling.

Penton Industries

Contact: Glenn Penton
504.669.3349
glenn@pentonind.com

www.pentonind.com

On the marine lubricant side we supply the major branded programs, including ExxonMobil (Mobilgard, Mobil Delvac, Mobil SHC and Mobil DTE), TotalEnergies (Talusia, Aurelia, Disola, Atlanta Marine, Ceran and Multis), Chevron (Delo, Rando and Meropa), Shell (Omala, Rotella and Tellus) and Castrol, along with EAL and VGP-compliant lines for equipment where discharge to water is possible.

In fuels and specialty fluids we supply Shell and CITGO branded fuel and lubricant programs, MacDermid subsea production control and blowout preventer fluids for the offshore drilling market, PANOLIN biodegradable fluids, and private label lubricant programs packaged under customer brand.

In fall protection and PPE we supply ANSI-rated harnesses, self-retracting lifelines and anchorage under the Palmer Safety brand, including the Akula, Hammerhead, Mako, Stingray and Dielectric harness series and the BEAST and MicroBEAST SRL series, along with the Gulf Grip, G820, PS360, PS933 and G-Flex cut-resistant glove lines and CORE, RIVAL and AEGIS eyewear.

In rope and rigging we supply Pelican Rope arborist, marine and utility lines, ProClimb climbing and rescue hardware, Gripple cable suspension systems, DuraBrite stainless marine hardware and Swage-Right wire rope fittings and tools.

Through our supply network we also provide products from the major oil & gas, welding, safety and marine manufacturers, so specification requirements and approved-brand lists can be met without adding vendors.

WHY PENTON

- More than 50 years serving oil & gas and marine customers from the Gulf Coast.
- We manufacture, so we control quality, lead time and the ability to formulate to spec.
- One vendor across chemicals, MRO, welding, gas, safety, fall protection, rope and rigging, marine, fuels and lubricants — fewer POs, fewer invoices, less administration.
- Deep Gulf Coast coverage with national distribution capability.
- Direct access to ownership and decision-makers; no layers between you and an answer.
