

Market leader with demonstrated scale & impact

[Wysa](#) is an advanced AI-based digital companion for behavioral health that is a global tech leader in mental health. We are popular with employers, payors and healthcare providers due to its scalability and low cost. Being an AI based app, Wysa overcomes the stigma and privacy concerns that often prevent people seeking help for their mental health.

Location: Pune, Maharashtra (with travel to community sites as required)
Employment Type: 1-year renewable contractual basis

We are looking for a passionate and empathetic **Community Psychologist** to join our team. The ideal candidate will play a key role in promoting mental health awareness and delivering impactful training sessions and workshops across diverse community groups. If you're someone who is deeply committed to community well-being and mental health advocacy, we'd love to hear from you!

Roles & Responsibilities:

- Facilitate workshops and training sessions on predefined mental health topics for large audiences.
- Offer empathetic, non-judgmental, and culturally sensitive support to beneficiaries.
- Maintain confidentiality and uphold ethical and professional standards.
- Collaborate with internal teams and community stakeholders to drive mental health initiatives.
- Collaborate with team members to deliver impactful, culturally sensitive mental health programming.
- Travel to various community sites as needed to conduct sessions and provide support.
- Stay informed about mental health trends, best practices, and tools relevant to community well-being.

Qualifications

- Master's degree in Counseling Psychology, Social work, Organizational Psychology, or a related field.

Must Have Skills:

- Strong verbal and written communication skills.
 - Active listening and empathetic engagement abilities.
 - Deep understanding of mental health and wellness.
-
- Passionate about building mental health awareness at the grassroots level.
 - Proficiency in Marathi (mandatory).
 - Willingness to travel and deliver sessions at various community locations.
 - Ability to work independently and responsibly with minimal supervision.
 - Adherence to ethical guidelines and professional conduct.

Preferred Skills:

- 0–2 years of relevant experience in community psychology, training, or mental health.
- Experience or interest in conducting workshops or training sessions for diverse groups.
- Problem-solving skills and the ability to adapt to dynamic settings.

- Get first-hand exposure to a global team
- Work with the Industry leaders as the founders and senior team members are from IITs, IIMs, London School of Business and have held top positions across Goldman Sachs, Pearson, Microsoft leading cross functional global teams
- We offer **flexible work hours** and a culture where you are more than just your job designation.
- We work hard, but we rest and avoid burnout at all costs. Expect a range of employee benefits and much more!

In Their Own Words

"Working as a psychologist at Wysa has been one of the most fulfilling experiences of my career. It's given me the chance to truly make a difference, not just in individuals' lives, but in the overall wellbeing of the workplace. I've had the opportunity to collaborate across teams, explore new ways to support mental health, and lead initiatives that matter. Along the way, I've grown both personally and professionally — building confidence, sharpening my communication, and developing strong leadership skills. What makes this journey special is how valued and supported I've felt in my role. Overall, this role has been a foundation for both impact and continuous growth."
