Flexible seat depth

The back of some units can be moved backwards to increase the seat depth, see type plan. The total depth changes.

Metal colours for legs

Some legs can be ordered in high-gloss chrome-, silver, bronze- or black-coloured. Please indicate.

Seam design

The model is made in fabric with felled stitch. In leather with decorative cross stitch. A contrasting thread in leather and some fabric colours is available.

Flexible plug-in headrest

The U 92 headrest with joint can be inserted between the back of the carcase and the back cushion (except for article EL - here only in the middle back).

Absolute eye-catcher

The beautiful, cubic armparts of the model provide an interesting look. The armpart pillow can be placed here.

ORDER INFORMATION

Back sides of sofas:

All pieces are genuinely upholstered at the back.

Connecting sides:

For a surcharge, the connecting sides can be supplied in the original cover instead of stretch fabric.

Positioning diagram:

Please send us a positioning diagram, depending on the different variations available. The connecting sides got marked in red for some elements in the type guide.

Base leg Z:

If elements and sofas without or with 1 armpart are to be placed directly against elements or sofas without or with 1 armpart, a base leg Z is required and must be ordered separately.

Seam appearance:

Decorative, felled or double seams may appear

www.schillig.com

different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread at no extra charge. You will find the specified colours in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes.

Seat depth: approx. **61 cm**

Seat depth with function: ca. **81 cm**

Armpart width: ca. **36 cm**

Armpart height: approx. **52 cm**

Measurements of the corner combinations:

With this model the seat of the one arm chaises the seat rises approx. 2 to 3 cm into the connecting side. Therefore other total measures occur than by pure addition of the article measurements. Please note.

Especially casual upholstery:

The upholstery is especially casually processed to create a certain appearance with a super soft surface. The covers may already show a pronounced wavy appearance on delivery, which is intentional due to the design and construction and may become even more pronounced with use. This is not a quality defect, but a model-related characteristic.

Note on upholstery construction:

Ticking cushions have been used in the seat and back. This can lead to the marking of individual chambers and is a typical feature of the product.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.

Technical change regarding the plug-in head restraints:

From order date 1st November 2024, the plug-in head restraints will no longer be supplied with a metal bracket in glossy chrome but in black powder-coated.

LEGS

metal leg **diff. metal col.**

F C3

Metal colours:

All legs are available in different metal colours. Please indicate when ordering.

Powder-coated:

The colours M21 silver, M56 bronze and M99 black are powder-coated.

Leg and floor protection:

Slim furniture legs with a small gliding surface exert increased pressure on the floor. For

sensitive floors, we recommend fitting glides/ an underlay to protect against scratches and pressure marks.
