

novalounge

56955

Spacious, cozy, completely individual.

The **novalounge** 56955 model impresses with its rounded, powerful design and exceptionally soft seating comfort. Snug, raised armparts invite you to lean back, while a wide range of elements, from classic sofas to spacious corner solutions, perfectly complement any living space. With practical details such as optional headrest adjustment, an integrated coffee table, and freely combinable covers, **novalounge** 19655 becomes a favorite place made to measure—for everyone who likes to relax in style.

Flexible headrest

Some articles can be equipped with a headrest adjustment with notch function (surcharge, item no. = KV1, KV2).

Side table

The side table is available either fully upholstered (item no. LB) or with a storage surface (item no. LT) in black or white leather.

Absolute

eye-catcher

The nicely curved armrests of the model lead to an interesting look.

Contrast thread

This model is available in leather and some fabric colours with contrasting colour thread on request at no extra charge.

ORDER INFORMATION

Storage surface for LT:

The LT intermediate table is available with a storage surface covered in black Z59/99 leather or white Z59/42 leather. Please specify when ordering.

Back sides of sofas:

All pieces are genuinely upholstered at the back.

Side bolsters:

In this model, the side bolsters are covered in the original cover ordered.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Contrasting thread:

This model is available in leather and some fab-

www.schillig.com

ric colours with contrasting colour thread at no extra charge. You will find the specified colours in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes.

Seat depth:

Seat depth one arm chaise:

Height with function:

Model-related feature:

The upholstery is deliberately processed casually to create a certain visual appearance. Waving is not a quality defect, but a model-related feature that ensures optimum seating comfort.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour

samples may vary, samples in accordance - colour and structure deviations possible.

Combined covers:

This model can also be supplied in a combination of different cover qualities and colours. See price list.

price 1: frame

price 2: seat and back cushions, armrest cushions

All items without armrests or with armrests on the right or left are also available as free-standing versions. The 'attachment side' is always supplied in 'real side panel'.

The design of the cross-section shown here is based on a sample and serves to illustrate the upholstery structure.

- 1. Frame** – Beech wood structure
- 2. Seat suspension** with permanently elastic wave springs
- 3. Seat upholstery structure** – spring core with di-olen cover incorporated into **ergo**-PUR-foam
- 4. Back suspension** due to upholstery strap
- 5. Back upholstery structure** of **er**-go-PUR-foam with diolen cover

Upholstered furniture from passion.

For more than 75 years, this passion has led to the creation of high-quality and special pieces of furniture and designer furniture - sofas that combine elegant and contemporary design with first-class comfort. We stand for craftsmanship, trend-setting ideas, appealing design and know-how from Germany. The result is upholstered furniture with guaranteed first-class comfort and attention to detail. When selecting the materials used, we pay attention to sustainability and the conservation of resources.

- Traditional craftsmanship down to the last detail
- High-quality, environmentally friendly materials
- Careful & precise workmanship
- Cooperation with renowned furniture designers
- Production according to DIN & RAL quality guidelines of the Deutsche Gütegemeinschaft Möbel e.V.
- Regularly tested product quality "Made in Germany"
- Development at the Upper Franconian location in Ebersdorf near Coburg
- Carefully selected fabric and leather cover collections in many colours for a wide range of requirements.
