

# COMPANY PROFILE

Shenzhen TLP  
Electronics Co.,Ltd

Lighting Made Simple

A modern interior space with warm, ambient lighting. The walls and ceiling are illuminated by recessed LED strips, creating a soft, golden glow. The architecture features clean lines and a minimalist design.

# About Us

Shenzhen TLP Electronics Co.,Ltd specializes in LED lighting solutions, particularly COB LED Strips, LED Profiles and LED Neon Flex. With over 10 years of industry experience, we serve customers worldwide.

**“Lighting Made Simple”** – We simplify lighting.
