Diabolik lovers english patch

Diabolik Lovers Limited V Edition English Patchreishikiw2020-08-06T13:21:00:00 Diabolik Lovers Haunted Dark Wedding (ディアボリックグアズ Diaborikku Rawasu), abbreviated DiaLover, is a Japanese visual novel developed by Rejet. It was released in Japan on October 11, 2012 for PlayStation Portable. The second version of the game, called Diabolik Lovers Limited V Edition, was released for PlayStation Vita on December 19, 2013. The English fan translation patch for the Vita version was released on August 16, 2019. PLOT Heroine, Yui Komori, is a positive-minded girl who is nonetheless concerned about seeing spirits and experiencing poltergeist phenomena. In the second year of high school, Father Yui, a priest, must move abroad because of work and she is not allowed to accompany him. Instead, her father gave her a specific address and ordered her to live there, saying that the people living there were relatives. Yui follows his father's orders and arrives at the mysterious mansion as the address is suggested. When she explores the house, she meets six Sakamaki brothers who do not seem normal and learns that they are vampires. In the end, she had to choose one of them to drink her blood. So begins her journey into darkness. DEMO VIDEO Good news for all diabolik lovers! Otoge Translation has released an English patch diabolik lovers chased dark wedding! However you have to buy the game and show them proof that you purchased the game before they send u a link to the patchMore information can be found here: Into Otome? Join the community. Get Aino's Otome? Join the community. Get App More from . Chiharu .- Finally, we have fully completed our English patch for the limited V edition of Diabolik Lovers Haunted Dark Bridal. You can find all the information about the patch, including a list of those who worked on it, how to install it, and a link to the step-by-step guide here: that you should be able to send us proof of your game purchase to get a copy of the patch. There are instructions on how to do this in the link above. Also, note that the patch is about 2.5GB, so your memory card should have at least 3GB or so of space on it for the patch to be able to be installed. A lot of people (over 25!) worked on this patch, and no matter how hard we try to keep everything in line, the scripts have different translators, which means different styles of writing. We did our best in editing to make them all cohesive, but if a few scripts sound a little different, it's because they probably worked for another team member. If anyone notices any errors or problems, please let us know! This game is pretty big, and even if we prove it and the beta tested it a few times, we probably missed things here and there. If you have any questions, feel free to ask! Marzi and SonicDemo video: otogetranslations: Finally, we have completely completed our English patch for the limited V edition of Diabolik Lovers Haunted Dark Bridal. If anyone notices any errors or problems, please let us know! This game is pretty big, and even if we prove it and the beta tested it a few times, we probably missed things here and there. If you have any questions, feel free to ask! Marzi and SonicDemo video: Good news mates!! :D If you have Vita, rejoice! Because now you can play the full game in English! I'll keep my transfers up (and probably also translate things that are still missing as soon as I get back to my apartment); However, if you can afford it, please think about buying the game and get a patch. It will be a lot more fun to play than using translations anyway ^^ Finally, we have fully completed our English patch for the limited V edition of Diabolik Lovers Haunted Dark Bridal. You can find all the information about the patch, including a list of those who worked on it, how to install it, and a link to the step-by-step guide here: that you should be able to send us proof of your game purchase to get a copy of the patch.
