October 19, 2019: BREAST CANCER AWARENESS AND DOMESTIC VIOLENCE MONTH

From One Pearl To Another…

Hello Sorors,

I hope all is well with each of you! It's been a busy quarter for us!! You have once again worked diligently to ensure that our projects and activities were successfully implemented. Our work in the schools and community has received glowing and notable recognition and on the behalf of the chapter, I want to say again, "THANK YOU"!!!

Kudos to the Target I : HBCU 4 Life and Target II: Women's Healthcare Committees for the activities and service rendered this past month. Soror LaKiesha Harris, our Program Chairperson, and our target chairs, have done a superb job with the HBCU impact day and the Pink Passion Lunch -N- Learn! Kudos to Soror Portia Foster and the Social Skills Committee!! The committee has been at Gadsden City School's middle schools working with the 6th graders. It has been phenominal!!! Please check our social media sites (thanks to our Technology department) and THE MESSENGER for pictures!

Kudos to all 38 sorors that registered and/or attended the ALABAMA STATEWIDE CLUSTER! Sorors, 44% of our chapter membership attended the Cluster! AWESOME! AWESOME! AWESOME! I hope you enjoyed it just as much as I did. As your chapter Basileus, I did attend the Basilei "Chat and Chew"on Friday night with Madam Regional Director, Mitzi Paige. It was very informal, yet, informative! Our very own, Soror Portia Foster, a member of the Spiritual Oversight Committee, led us in prayer when we learned that the Regional Tamiouchous's daughter was in an accident (we later learned her injuries were not lif threatening).

Sorors, I want to remind you that at our sorority meeting on Saturday, October 19, 2019, will be held at GSCC, Beck Conference Center @ 1:00 PM . Refreshments will be served at 12:20 PM. We hope to see each of you there!!! Let's continue to LEAD~ENGAGE~OPERATE in the spirit of sisterhood and service!

I want to thank the Target II Women's Healthcare committee chaired by Soror Sabrina Morgan-Graves for the outstanding job at the Pink Passion Breast Cancer Awareness event. The Lunch & Learn was held at Gadsden Regional Medical Center on Oct 7, 2019. There were twenty Sorors and forty-two guests in attendance. The committee partnered with Gadsden Regional Medical Center to present a wealth of information. Mammogram Awareness Day is Oct 18. As we continue our fight against Breast Cancer please remember that early detection is key.

HBCU & #CAP (College Admission Process)- The two committees are partnering to take the CAP participants to Senior Day on November 9th at Alabama A&M. More details about their activities will come from the committee report.

Building Your Economic Legacy Committee - Please take pictures visiting your local black owned businesses and email the pictures and the amount you've spent to Soror LaKiesha.

Thanks again for all that you do!

PARLIAMENTARY TID BITS FROM SOROR YVETTE LATHAM:

Decorum in Debate (2)

1) Whenever terms such as "fraud," "liar," or "lie" are used about a member in debate, the chair must act immediately and decisively to correct the manner and prevent its repetition. (RONR, p 392)

2) As much as possible, the use of names of members should be avoided in debate. It is better to describe a member in some other way as by saying,
"the member who spoke last." A member's debate is expected and intended to be partial (unfinished), and the first person is quite acceptable. (RONR, p 393)
