*'How I Learned to Stop Feeling Guilty
About Wasting Weekend Afternoons'*

“Creativity is the crucial 21st century skill we’ll need to solve today’s pressing problems.” - Sir Ken Robinson.

“Education is the foundation for all we do in life, it shapes who we are and what we aspire to be. Creativity fuels innovation, and it’s what all states should strive to instill in the next generations.” - Jim Hunt

“Being creative can be seen as the ultimate expression of educational achievement.” - Daniel Pink

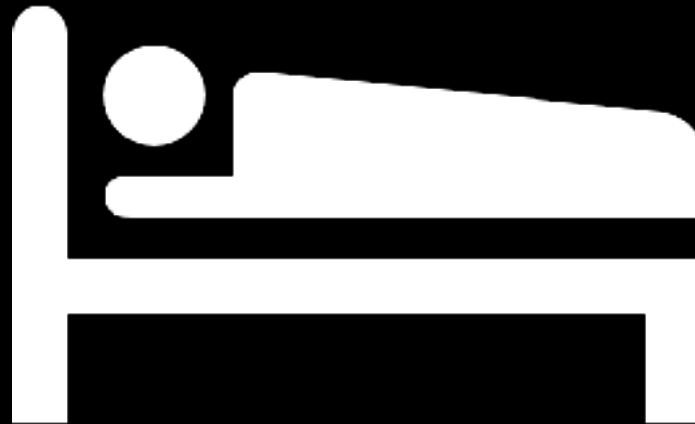

“Imagination is more important than knowledge” - Albert Einstein

“Creativity is the key to deeper understanding.” - Boyd Hendricks

“Creativity is the key to success in the future, and primary education is where teachers can bring creativity in children at that level.” - APJ Abdul Kalam

“Making schoolwork creative brings out the fun, and with enjoyment comes understanding.” - Lionel Honnoret

Where does creativity come from?

“Creativity comes from boredom.”

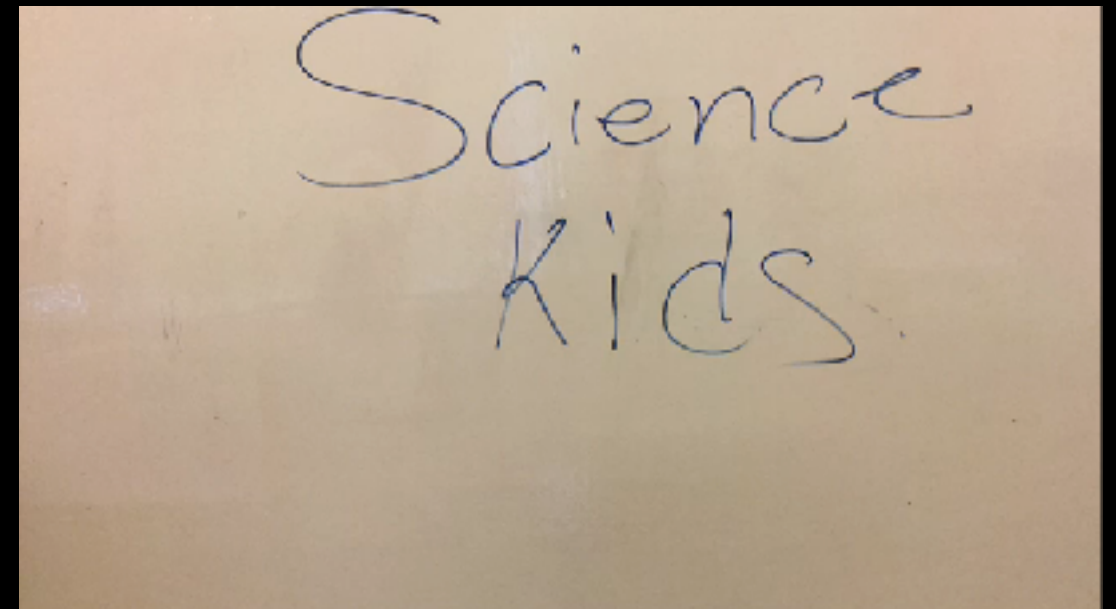

- lots of researchers
