

THE UGLY TOPIC MEETING

☞ Do you struggle with weight and eating?

☞ Do you wish to feel less "out of control" with food?

☞ Have you wrestled with an eating disorder?

☞ Do you wonder if you're pretty or skinny enough?

"Three of the biggest things hindering women today - a sense of feeling out of control with food - an inability to meet impossible standards of thinness and beauty - and a mental obsession with food and weight."
